2020 November Reflection

There have been a number of funerals over the last two years across our benefice. Each of course, has been significant for the families involved and, in some cases had a wider impact than on simply the close families. And of cause this year it has been harder for families to come together to support each other in their grief. Our thoughts and prayers are with all experiencing loss at this time.

It is on the 2nd of November that the Church celebrates All Souls. This is a time when we remember those we have lost and read out their names in Church in an All Souls Service. Sadly, this year will be different as we will be unable to gather for a Service in the way that we have been used to doing. In memory of those we have lost, the church has given out with each magazine, a pinch of Forget-me-not seed that I hope you will plant in pots and gardens not only to remember our loved ones but also as a reminder of what we have been going through and are still going through this year. Every one of us has lost something, the touch of friend, a longed for holiday, a job, a relationship, savings and a few their home. The hardship we are going through, we are going through together and should not forget the support we have found in unlikely places. The names of those we have lost will be in church on a rota bases, Monday 2nd West Lavington, Tuesday 13th Great Cheverell, and Wednesday 14th Easterton. And when on Sunday 8th November we hold our service of remembrance to hear the names read out of the people who gave their lives for their country and their fellow men, it will be difficult to meet in the same way as in years gone by. To allow for those wishing to attend and show their respect, all services will be outside in our churchyards. You will need to book your space in advance by e-mailing either churchlavington@gmail.com or lavingtonrector@gmail.com, leaving your name, contact details and the number of you family bubble that will be attending. You will be required to ware facemasks and the service will be a shorter version of the normal church service. Please see the list or service to see which church is holding a service and at what time. For those who do not wish or attend there will be services on BBC 1. But I am asking that all who can and wish to hold two minutes silence, and will not be joining us at one of our service, do so at their front doors.

I leave you with the writings of Dietrich Bonhoeffer, who offers us hope of continued love even through that pain of loss.
“Nothing can fill that gap when we are away from those we love and it would be wrong to try and find anything. We must simply hold out and win through. That sounds very hard at first. But at the same time it is a great consolation since leaving the gap unfilled preserves the bonds of love between us. It is nonsense to say that God fills the gap. He does not fill it but leaves it empty so that our communion with another may be kept alive, even at the cost of pain.”

Rev Marion Harrison

Sidmouth Street Club in Devizes has reopened – and for the first time in its 12 year history it has spaces and no waiting list.

The award-winning day club, run by Alzheimer's Support, is following strict procedures approved by Public Health England to keep everyone safe. Head of Day Care Grant Newton said: "Thankfully the new procedures have not stopped us from providing a joyful, informal atmosphere that is so loved by our members. But the damage of lockdown is still with us and we have vacancies in all our Wiltshire clubs – in Devizes, Trowbridge and especially Warminster. "We are now ready to welcome new members so please get in touch for an informal chat about how we may be able to support you or a family member."

Our Latest Update!!!

It's hard to believe that we're still unable to sing together and recent news doesn't fill us with any confidence for the rest of 2020 or even early 2021!!

But we are not going to be downhearted and we are determined to get together before Christmas for three evenings of Christmas singing, using our trusty download friend Zoom.

The dates are Thursdays 3rd/10th/17th December and the wearing of Christmas jumpers and hats would add to the festive fun.

If anyone reading this news bulletin would like to become involved with our choir even in its Zooming format then please contact sueivey3@aol.com

Thank you to all our customers from near and far, who have supported us this summer. There are fewer tables, and everyone is asked to sign in with their name and phone number when they arrive and use the hand sanitiser provided. There is a plastic screen between customers, cakes and staff. But it is still the friendly place to visit, sit and chat, or takeaway.

For Remembrance this year you might like to paint a poppy on a pebble and place it somewhere in the village. St.Arbucks will also collect and display them for you in the first week of November.
Rev Gary Gotham and the people at Trinity Church will be happy to bless them and place them at the War Memorial in St Mary's churchyard on Sunday 8th November.

Area Board Funding available for Devizes area

Wiltshire Council recognised in its 2020/21 budget the importance of supporting local communities. Despite the financial challenges brought by COVID, the council confirmed that the funding it set aside will still be available for Devizes Area Board to support local initiatives.

We therefore have funding for help with capital projects (buildings & equipment), for work with young people (mainly 13 to 19 years old) and a small amount of money for health and wellbeing work with older or vulnerable people. We have had very few applications with a lot of activities suspended due to COVID. However this may be a great opportunity to get ready for when we hopefully can all start again or to something a little different to help support those in our community.

You can find out more about all of these at
<https://www.wiltshire.gov.uk/council-democracy-area-boards>

If you want to discuss a possible application, please contact Andrew Jack at

CAN YOU HELP?

My grandma's mum was born in The Lavingtons/Littleton Panell in 1922. We have quite a few photos of her and her parents, and a few of her grandmother (who lived to 97), but only one including her grandfather **James George Coleman**, who was born in Littleton Panell in 1868, and died there in 1929. Are there any relatives of James (1868 - 1929) and Annie (1873 - 1971) Coleman of Littleton Panell, who might have any photos or information?

Please contact adamdrjmgregor1@gmail.com
Thanking you in advance,

Market Lavington COVID-19 Support Group

The Group was set up as a response to COVID-19, to provide support for our vulnerable residents who may be struggling during this difficult time.

Do you need help?

With Government restrictions continually changing, we recognize that there will be members of our community who want, or need, to shield or self-isolate.

The team of local coordinators and volunteers are still very keen and willing to help, so please do not hesitate to contact us if you need any help with essential shopping, collecting prescriptions etc. or would value having someone to talk to.

Please get in touch with the Support Group by calling one of the local coordinators below:

Suzanne Morrison: Telephone 01380 812985 / 07920 181312

Les Charlton: Telephone 01380 818533 / 07962 422624

Nicky Wragg: Telephone 01380 813235 / 07974 723285

Carol Hackett (Parish Clerk): Telephone 01225 760372 / 07759 761307

Calling this number won't get an immediate response, but your reports will be recorded.

In our villages and those nearby there have been cases of petty and not so petty vandalism. There has been damage to parked cars, bricks thrown through windows, and spray painted tags. The more the police are aware of local trouble spots, the more likely we are to get a more regular police presence. So if you see something happening, please call 101, which is a freephone number.

The Nestling Trust has produced a Calendar for 2021.
The purpose is to raise funds to provide food and education for the children at the Sarangkot Nestling Home for 2021, our goal being £10,000.

Calendars will be available from Market Lavington Post Office or Devizes Books, alternatively please email: info@nestlingtrust.co.uk or phone Sue Hamblin 07973414601.

A minimum donation of £10.00 per calendar would be very gratefully received. The Nestling Trust is not currently able to organise our usual fundraising events due to the Coronavirus and hope you may feel able to support our work through this calendar.

For more information about the work of the Nestling Trust, please check out our website: www.nestlingtrust.co.uk

Online Parish Council meeting for October

After many complaints about the risk of injury walking up the footpath between Church Street and the Community Hall Car Park, and 3 years of researching options in a world where regulations seemed to change from month to month, the Parish Council has placed a contract for lighting the path. This will include a back board to prevent light spilling beyond the edge of the path.

Spending was also agreed and contracts will soon be placed for replacing the wall at the top car park by the Village Green, installing a Christmas Tree, in the Market Place, and a Speed Indicator Device to go on Spin Hill.

Wiltshire Council will be working to clear the drains on White Street, to avoid flooding and damage under the road, are putting up village gateways as a clearer sign that drivers are approaching a built up area, and will be sent a list of white lines and painted symbols that need repainting.

The way rubbish bins are used is changing, instead of sweet wrappers, they are used for dog poo in bags, Because of this the bins are being moved from inside the playgrounds to just outside them.

Chestnuts Farm Community Supported Agriculture Vegetable Box Scheme

Based in Bishops Cannings our CSA was born during lockdown, and is all about local food resilience, and being involved in how your food is grown. The idea is that members pay monthly in advance to support the growers, and then share the harvest. We are in the process of certifying organic. As a baby CSA, we still do buy in some extra from an organic wholesaler, to make sure the share is always fairly consistent.

Prices start at £32.50 per month for a small box, for a single person, or less hungry couple. There are a very few spaces left for this year, so if you'd like to be in at the start, you can join us through the winter. Just email us at chestnutsfarm@gmail.com. You can collect from the farm, or from The Healthy Life, in Devizes, or we deliver for an extra pound per week.

If you would love to be part of this growing movement, but would rather wait until next spring, when the sun comes back, (and we hope volunteer days will be back as well) then simply ask to join the waiting list, and we will add you to our Facebook group if you would like, and you can follow the fun through the dark days of winter, and come on board when our new share issue goes live in April. Once again, just email chestnutsfarm@gmail.com and we will send you details.

Edington Arts

This is for anyone who is NOT on any of the Edington Arts mailing lists!

We are undertaking a bit of research into the possible use of online ticket payment and booking. If you have been to any of our concerts in the past, or might attend one of our concerts next year, or the Choral Workshop, we wondered if you could be kind enough to send us an email with answers to the following four questions?

1. If you had the option, would you use your credit or debit card to pay for tickets?
2. If yes, would you prefer to do it by
 - a. Phoning a member of Edington Arts
 - b. By making the payment through our website, or
 - c. Either
3. If you answered no, please would you share your reasons with us?
4. If you are happy to use your credit card, would you like to be able to book and pay for a numbered seat at the event at the same time through a secure online ticketing system such as TicketSource?

Thank you all very much for taking the time, and for helping us

**A Message from Richard Gamble
Wiltshire Councillor for The Lavingtons & Erlestoke Division**

In this column not long ago, I mused that, for Britain, the early decades of each recent century have all been marked by issues in Europe (18th C - Wars of Spanish Succession, 19th C - Napoleonic wars, 20th C - First World War, 21st C - Brexit).

I don't want to imply that Brexit has been as traumatic as the earlier wars, but the aftermath has been cluttered by the coronavirus pandemic and it is again co-incidental that, almost exactly 100 years ago, the Spanish Flu pandemic affected the aftermath of WW1.

In 1919, President Woodrow Wilson was central to the Paris Peace Conference addressing issues arising from the war. In contrast, the current US President has taken no material part in our discussions with the EU but, just as Trump caught Covid-19, so Wilson caught the Spanish Flu and was incapacitated for a time. Apparently, Wilson was prone to "disorders of emotion, impaired impulse control, and defective judgment." No similarity with modern times there then!

At the time of writing, I do not know the result of the 2020 presidential election but Wilson's successor after the 1920 presidential election was Warren Harding. For the purposes of balance, I can report that one newspaper described the Ohio senator a "weak and mediocre" man who "never had an original idea." Harding only survived 2½ years in office, dying in August 1923.

Finally, I should mention one other comparison of interest. Just like Covid-19, the origin of Spanish Flu is uncertain but, in 1993, Claude Hannoun, the leading expert on the pandemic, asserted the precursor virus was likely to have come from China. In 2014, historian Mark Humphries found archival evidence that a respiratory illness that struck northern China in November 1917 was identified a year later by Chinese health officials as identical to the Spanish Flu. Chinese labourers mobilised to work behind the lines of the First World War spread the disease to Europe, yet one of the few regions of the world seemingly less affected by the Spanish flu pandemic was China where several studies have documented a comparatively mild flu season in 1918. Sound familiar? "Plus ça change....." you might say.

I'm not sure what we can learn from all this but Winston Churchill said *"Those that fail to learn from history, are doomed to repeat it."* Let's hope that the subsequent unhappy events of the 20th century (the rise of fascism and communism, the General Strike of 1926, the Great Depression of the 1930s, WW2, etc.) are not echoed in this 21st century.

You may contact me about this or any other matter by email to richard.gamble@wiltshire.gov.uk or by phone on 07762 018209.

Scottish and Southern Electricity Networks

A representative from Scottish and Southern Electricity Networks (SSEN) has been in touch with the parish council to explain how they can help communities become more resilient in the event of a prolonged power cut.

They talked through their Priority Services Register that residents who may need extra support during a power cut can sign up to. Those eligible to join the Priority services are:

- Those dependent on electricity for medical home care e.g. Kidney dialysis machine/ventilator
- Those who have a chronic illness or short-term medical condition e.g. recovering from a major operation
- Those who are disabled
- Those who have special communication needs e.g. blind, partially sighted, deaf or hard of hearing
- Those who have children under five years old
- Those who are over 60 years old

To register with the priority service, you can call FREE on 0800 294 3259 from a landline or mobile. Or 0800 316 5457 from a textphone. Or use the website <https://www.ssen.co.uk/Home/>

If you would like a Priority Services leaflet, please contact Carol Hackett of the parish council on: Tel: 01225 760372
