

Go wild for reading at your local library with the Wild World Heroes Summer Reading Challenge!

Wiltshire Council Libraries are encouraging families to take part in this year's wild-themed Summer Reading Challenge which aims to inspire children to read as much as they can. The challenge encourages 4 to 11 year olds to read six or more library books (including eBooks) during the summer holidays and receiving rewards along the way.

The simple and fun Summer Reading Challenge is produced annually by the Reading Agency and delivered by Wiltshire Council libraries. The challenge is the perfect summer activity to build young readers' skills and confidence during the long break from school and will support reading catch-up after a difficult year.

This year, the Reading Agency has partnered with WWF (World Wide Fund for Nature) to create 'Wild World Heroes', inspiring children to take action for nature and the environment as part of an exciting adventure in the fictional town of 'Wilderville'. Through reading books, collecting rewards and learning all about the planet, participants will help the Heroes make Wilderville a greener place to live.

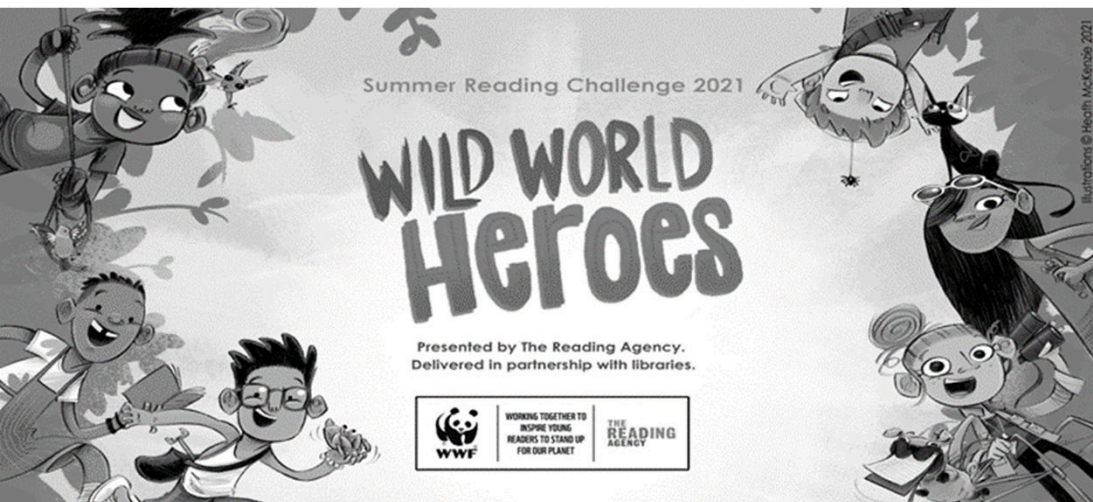

The free challenge will run from Saturday 10 July until Saturday 4 September. Packs of materials, including a map of Wilderville and stickers, can be picked up from libraries from 10 July, while stocks last. From Monday 2 August, and once children have read their six library books, they can collect their gold medal and certificate from their local library.

Children can read whatever books they like for the challenge (they don't have to be part of the theme), libraries have a huge range to choose from and staff can help families find suitable books if needed. Wiltshire Council's eBooks, eAudio and eMagazines page also has an extensive list of e-reading materials.

Children will need a library card to take part in the challenge and to borrow books, for more information on joining the library and all Wiltshire library services visit: www.wiltshire.gov.uk/libraries.

This year, some aspects of the challenge will be run slightly differently to maintain COVID-19 safety measures. A few of the changes include: libraries not being able to listen to the children talk about their books, the core materials being handed out in bags, and libraries will be encouraging families to visit at the quieter times such as afternoons as there may be queues.

If they prefer, children will also be able to take part in the challenge at www.wildworldheroes.org.uk, where they will also find games, competitions, book recommendations and much more to inspire them.

St. Mary's Church during 2020

A summary of the annual report produced by Mr Ben Bannister, PCC Secretary

St. Mary's Church was closed throughout 2020, not just because of COVID but also so that essential work could be done in the church

All the previously broken windows have been repaired.

The church now has an electrical certificate. This is probably the first time the wiring has been inspected. Remedying all the problems identified will cost about £3000.

An asbestos survey has been completed, asbestos was found and it will cost up to £2,000 to remove it safely.

Health and Safety work has been started on the Tower Stairs. Mesh has been fitted across the windows to keep birds out, the bell chamber has been cleaned and the bells are in working order, but will need a professional inspection soon.

Work has started on refurbishing the Bier house roof, and the bier has been moved into the church to keep it dry.

Work has to be done to keep water away from the North wall where the inside of the church is below ground level. This may involve digging a "French drain" and redirecting water from the North wall gutters.

When pews were moved, it was discovered that joists under the floor boards were rotting and needed to be replaced.

Advice is being sought about disposing of the pews from the north and south aisles and the west end of the main nave, many of these are suffering from rot and woodworm.

Some items of work on the organ were done in 2019, and additional work was completed in 2020

A recurring theme at PCC meetings has been the need to develop a longer term vision and strategy for the future of St. Mary's. Much is dependent on the Salisbury Diocesan Advisory Committee to approve the modest improvement plans. Within the wider community the church is seen as a dark, dank unwelcoming place, which puts people off attending, yet the evidence of Christmas, Easter and Remembrance services indicates that there is community interest in the church.

The aim is to bring the church back into more general community use, as part of a broader campus strategy (Community Centre – Old School—Museum – Church), with the intent to use the church building itself for more general community use. This would also generate income to contribute towards the running costs of this historic grade 1 listed building .

I wonder if you have ever thought about God. Who or what or how unlikely is God? Is there a God or is it all a load of rubbish? If there is a God, why does he let bad things happen? And is it He or She? So many questions and seemingly no answers. How do we find out? Do we look on-line or ask a friend or perhaps our parents or teachers may have some of the answers for us.

This is the problem, there are no definitive answers when it comes to questions about God. There is only our inner sense to guide us. A nagging feeling that there is something more, something bigger than ourselves at work in the universe. Something that may or may not want the best for us. Something that seems to be looking out for us.

Or you could ask a priest or read a bible. If that is something you would like to do but aren't sure where to start, I would suggest starting with the Letters of Paul. You will find them in the New Testament part of the bible, and they start after the book of ACTS. Go on, give it a go. What have you to lose? A little bit of time, and who knows, God may just be waiting for you to take a look.

Rev. Marion Harrison

Dear Church Member,

This is an invitation to an open consultation about services in this Benefice in the future months as we come out of the COVID 19 Restrictions.
The meeting will be held at St Barnabas Church, Easterton at 7 pm on Tuesday 27th July.

We hope that many people will come to this meeting and be included in the plan for the future of your church.
Your views and feelings are important; This may be the best opportunity to share and find out how others view church too.
Please let all of your church attendees know that they will be welcome at this meeting.

Yours sincerely
Beth Warren

Down the wind that has beginning
Where the crumpled beeches start
In a fringe of salty reeds;
When my arms are elder-bushes,
And the rangy lilac pushes
Upward, upward through my heart

West Lavington Youth Club

The youth club has been closed since March last year, because there is insufficient space to operate under social distancing rules. However, we are hoping to re-open in September and we are at the present time trying to recruit staff and management committee members.

The youth workers are paid employees and spent some time on furlough last year but elected to resign. Some of them will hopefully return to work for us. Their line manager is a senior youth leader, also a paid employee who sees to the day to day running of the youth club. Our senior youth leader has other work commitments and sadly is not able to resume his duties

All of the management committee (except one) are pensioners and most of us are in frail health. The club desperately needs new younger people to take on the management role. This is a matter of providing support for the senior youth leader and guidance on activities and equipment, dealing with recruitment and fund-raising etc. It does not normally involve attending the youth club sessions. The youth club is a registered charity and the management committee members are also trustees of the charity with responsibility for the proper running of the club, child protection and health and safety etc.

We need your energy and enthusiasm, so if you feel that you can offer your services in any of the paid positions, or as a volunteer member of the management committee, please contact me by e-mail at lyndadyson@yahoo.co.uk so that we can get the ball rolling. The children in the village need you!!

#StandForSynod

Have you ever thought of standing for the General Synod of the Church Of England?

The Church wants to encourage a broad range of voices to our national decision-making body.

Standing for General Synod is an opportunity to represent your community and the Diocese of Salisbury at a national level.

Members of Synod have a say in national legislation that affects all parts of the Church of England. Together with the Westminster Parliament, it is the only body which can make national law for England.

In addition to legislation, members can also raise issues and contribute to debates on a wide range of social and policy matters of national and international significance.

A reminder that nominations will open on 30 July 2021 (closing on 8 September 2021).

For more information please go to the dedicated webpage,
www.churchofengland.org/synodelections

The Lavington District Girl Guides
Is open to girls from Market Lavington
And the surrounding area.

Lavington District

All sections of guides meet in The Old School, weekly during term time as well as weekends for residential experiences. The weekly meetings start and finish at The Old School, but in fine weather they will often move outdoors for other planned activities, targeted at the girls ages.

There are currently spaces in all sections, following the various lock downs and imposition of COVID rules.

Rainbows 5-7,
Brownies 7-10,

Imberbus 2021 – Advance information

Following our enforced Covid break last year, we are pleased to announce that Imberbus will be running again this year on

Saturday 21st August 2021

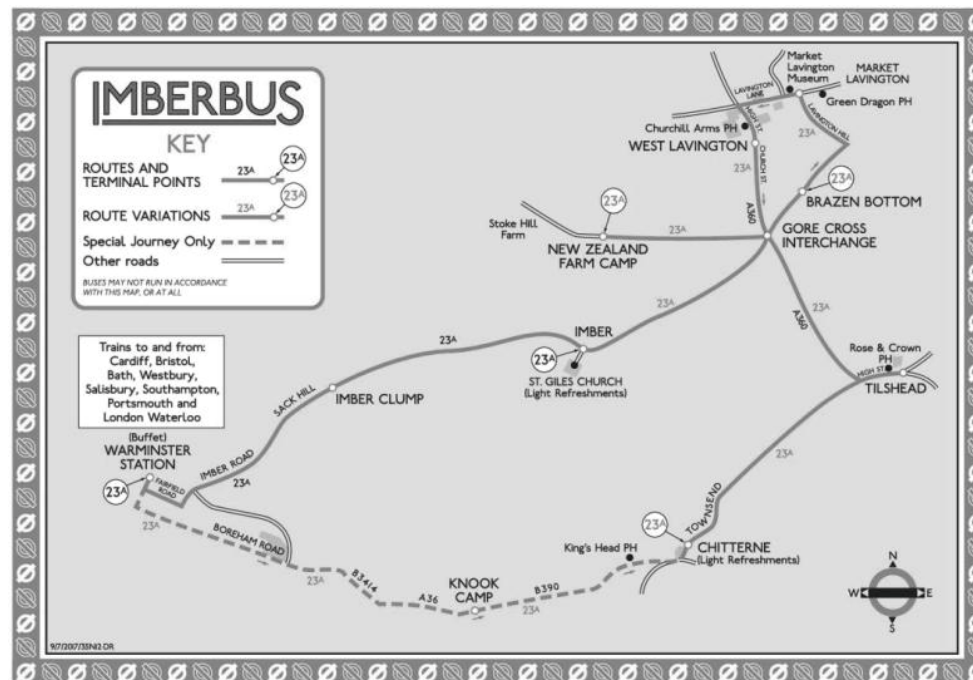

when once again, several vintage former London Transport Routemaster buses (plus a few newer ones) will provide a bus service from Warminster Station to Imber and other isolated locations on the Salisbury Plain between 10am and 6pm.

This year our event is being promoted as an Imber Car Free Day, as the only access to Imber on 21st August will be by travelling on the buses operating the Imberbus service. Passengers will be able to board and and alight at any point along the route. You can also download a copy of the timetable from

<https://imberbus.org>

St. Arbucks will be open for the whole day offering home made cakes and ice creams, cold drinks and hot ones

The museum will also be doing cream teas and displaying historical items down in The Old School.

Thank you!

**The Nestling Trust would like to thank everyone who helped the
'Hike or Bike – Miles to Save Lives in Nepal Campaign'**

**To all those who trudged the bridleways and muddy fields and those who
cycled the country tracks and lanes, amassing an incredible 5,415 miles
during the month of June – it was an astonishing effort of resilience and
determination.**

**As so often happens the Nestling Trust has been overwhelmed by the
generosity of our loyal supporters, so far £10,691.12 has been raised to
fund medical supplies, and soap and food for destitute families as well
as helping to establish a new Health and Birthing Centre in Baitheshwor
(maternal and neonatal death rates have soared since the start of the
pandemic).**

**Thank you to everyone, who donated to help save lives in Nepal – you
are amazing, and to those who gave so freely of their time and energy to
help us reach our goal we are incredibly grateful.**

**Thank you so much

TRINITY CHURCH

Usually meets in the community hall, Market Lavington, where we enjoy an informal style of worship in the Methodist/United Reformed Church tradition. Throughout lockdown though we have been uniting with St Andrews church (Devizes) and Marston and Monks chapels, and enjoying fellowship on Zoom. We have been benefitting from the reflections that our minister has been posting on You Tube. These can be found on <https://www.youtube.com/GaryGotham>

We have also been making the most of the season with occasional outdoor , covid secure, gatherings.

Many thanks to all of you who have completed our on-line questionnaire , sharing your comments and ideas on how we, as a church, can serve you better. We greatly appreciate your feedback.

If you, or anyone you know, is in need of prayer, please don't forget the PRAYER REQUEST BOX which is situated in St Arbucks café. It gets emptied regularly and brought before our prayer ministry team. If you have any enquiries about our church or the return of services, please contact our minister or Church secretary. Or keep an eye on the notice board outside the community hall entrance.

WILDLIFE SURVEY ALL SAINTS' WEST LAVINGTON 5-13 JUNE 2021

There was good support for West Lavington Parish's first attempt at taking part in the Churches Count for Nature initiative – seeking to build a picture of the range of wildlife that is already present in the churchyard in order to assist in planning how to make it more biodiverse with a view to protecting, creating and enhancing nature in the community area.

22 survey sheets were completed during the week of the survey, 5 of them by children. One parent reported being asked to walk through the churchyard every time they go for a walk so their child could look for wildlife!

The results were collated across the open and closed burial grounds:

	OpenBurial Ground	ClosedBurial Ground	Total
	Number of species		
Trees/shrubs	34	15	39
Flowers/plants	30	83	102
Grasses	5	7	11
Insects	13	5	15
Birds	3	7	8
Lichens/moss	5	9	10
Mammals	1	0	1

The list of identified species has been submitted to be verified and uploaded onto the National Biodiversity Database.

These figures provide very helpful baseline data which will inform the plan for increasing the biodiversity in the churchyard, most importantly how to increase the number of insects and birds.

Areas where the grass will be left to grow have been marked off and already there is an increase in the number of flowers growing amongst the grass e.g. 15 orchid plants were counted on Tuesday, 22nd June.

The proposal is to repeat the nature survey next year, expanding it to include a nature trail around the two burial grounds. In the meantime, it would be interesting to focus on identifying one type of wildlife at regular intervals throughout the year, e.g. birds in January, lichens in the autumn. We think it would also be useful to keep a running count of species to capture the variety over the year.

The list of all species identified will be displayed on the church noticeboard and anyone who would like the whole list, please contact Anne at her email address below.

FreelyWheely is a place where you can offer your unwanted belongings, for free, to someone who can make use of them.

This can be anything from a bag full of lever arch files to an old car - the only rules are that you can't offer animals or anything illegal - so no drugs, children or stolen goods please!

FreelyWheely is brought to you by Jon and Trish (together we are Monks Vaughan Ltd!) who are frantically beaver away behind the scenes to make this the best freecycling and free selling site in the world. This all began not so long ago with just our family and friends, and now there are thousands and thousands (and thousands) of you out there!

We are very proud to be affiliated with the ReUselt Network, and in case of any doubt, we should also say that we're not connected in any way with The Freecycle Network.

What can I give away?
Basically anything.

If you are thinking about throwing something away and feeling slightly guilty because you know there is nothing really wrong with it, you just don't want it any more, or that in the right hands it could be fixed / cleaned / used then this is probably the place for you.

How does it work?
Join in and sign up

Take a picture of whatever you are looking to give away (you don't have to but it looks nice).

Create an entry describing your item with as much, or as little, detail as you like. Wait for some requests for your item. Things are on the site for 7 days - you can either wait until the end of the listing to give everyone a fair chance, or you can end your item earlier and take your pick from the requesters then.

Choose your 'winner' on whatever basis you like (ability to collect quickly, asked nicely, funny name, etc)

Arrange collection details and hand over the goods

Bask in the glow of a job well done: one less thing to landfill, one more happy person giving your unwanted stuff a lovely new home :)

MONDAY CLUB

On the 19th July 2021, we met for the first time since March 2020 for Tea and ICE CREAM at The Rowdey Cow and the sun shone too. It was wonderful to see all that could make it, again and the ice cream was delicious.

The Monday Club is open to all.

If you are new to the area the club is mostly made up made up of those who have retired (not me) living in Market Lavington and surrounding villages. BUT there is NO age limit or gender restrictions. We meet on the first and third Monday(s) of the month (excluding Jan & Aug). Usually at Market Lavington Community Hall; 2:15 - 4:00pm So if you have free time on a Monday afternoon do come along to have a natter, hear a speaker (a variety of topics covered), learn a new skill (e.g Iris Folding) or discover a new place and good company. With Afternoon tea served at about 3pm for a small fee of £2.50 and conclude with a raffle. Our next meet up is Monday 6th September 2021 The activity - A quiz on chocolate. Looking forward to seeing you.

The group is also looking for some helper/members. Help make tea, or courier members to and from the meet up. Just give us a call if you can help. Thanks.

Please contact Jo Perkins on 07936278533 with any questions you may have.

A Walk to Remember is back!

Take part in Alzheimer's Support's fundraising Walk to Remember this September. After a virtual event last year, the charity is bringing back its popular sponsored walk this autumn. There are two routes, both starting at Warminster Pleasure Gardens. The eight-mile Battlesbury Hill walk offers breathtaking views while the accessible Meadow Mile walk follows a scenic route through a nature reserve. Either way walkers will have a great day out while supporting people living with dementia in Wiltshire.

There is no minimum sponsorship. Find out more or sign up at

A Message from Cllr Dominic Muns Wiltshire Councillor for The Lavingtons

How beautiful our villages are in the Summer! Due to the heat this last week we delayed our family walks and bike rides until the evenings. It's my favourite time of day to be out in the countryside. Walking from the water tower at Tilshead over the plain and back down into West Lavington, the wildflowers seemed endless, butterflies danced constantly and the heat rose up from the paths which had baked in the sun all day. On Friday, Buddy and I took our bikes out for an eleven mile loop from West Lavington up Stibb Hill, down to Gore Cross to New Zealand, around to Peartree Hill, along the ridge above the Cheverells, before dropping down behind Dauntseys. For a 10-year-old to declare unprompted, "We are lucky to live in such an amazing place", made my heart melt. He's absolutely right.

The strict policing of Peartree over the last 18 months, which saw many people getting a stern warning or even a ticket for driving or parking off the track, seemed a little heavy-handed to me at the time. I wasn't aware that you couldn't drive on the grass and nor was anyone else I spoke to last year! Coming down Peartree Hill at 9pm on my bike last week it all made sense. In the thirty years I've walked or eaten a picnic on that beautiful hill I've never seen the grasses and wildflowers like they are now. It was like an African savannah after the rains have come. Incredible!

Last month I mentioned that trees were going out of fashion. Aside from the number lost to industrial logging worldwide, most planning applications we receive locally are for tree removal. A lot of these are due to Ash Dieback or monster Leylandii but it's always a shame to see something cut down. For years now West Lavington has been responding to every application with a request that a new tree be planted either on site or via a tree planting scheme. This month I wrote to the Cabinet member for planning to request that this become a standard footnote to all approval notices for tree work. It won't be legally binding, however, it will hopefully encourage everyone to reduce the nett loss of Wiltshire's trees.

I must apologise to the two people that wrote to me recently concerned that I didn't see the beauty or importance of Stonehenge! I can be pretty sarcastic at times and my tongue-in-cheek tone in last month's magazine went under the radar of some. Of course I love Stonehenge, both for its beauty and incredible history as well as the boost to our local businesses through the tourism it attracts. Last week I wrote to our Public Transport team to request a re-routing of the Devizes-Salisbury bus in order to provide a better link to Stonehenge. As an aside I also requested an extension to the timetable to allow people working or studying in Salisbury or Devizes to get to and from their destination at the start and end of the working day.

Finally, work continues to find a solution at Black Dog crossroads. Numerous ideas were examined by Atkins and put out to Parish Councils for consultation. The responses have now gone back to the Highways team combining the voices of residents who have made their thoughts known over the years. Now I await a single proposal which I will take back to all the Parish Councils for discussion. Watch this space... but perhaps don't hold your breath.

You may contact me about this or any other matter by email to dominic.muns@wiltshire.gov.uk or by phone on 07585 394 178.
