Reflection for July 22

I am often asked by people how can I believe in God. Especially in the light of our modern understanding of society, science and the state of the world we live in. This is a truly hard question to answer. There is no hard proof to the existence of God. And I for one don't think there should be. Belief in God is an act of faith. It is something we come to through our seeking, through our reading of scripture, and through our own personal experience. So many people have never read the bible or any of the great theologians who have wrestled with such questions down through the ages. Not exactly bedtime reading, I know but well worth the effort if only to widen the debate.

But if the bible and theology is too much to begin with, here is something I found a few years ago from Indian Legends.

Cherokee Legend

Do you know the legend of the Cherokee Indian youths' rite of Passage?

His father takes him into the forest, blindfolds him and leaves him alone. He is required to sit on a stump the whole night and not remove the blindfold until the rays of the morning sun shine through it. He cannot cry out for help to anyone.

Once he survives the night, he is a MAN.

He cannot tell the other boys of this experience, because each boy must come into manhood on his own.

The boy is naturally terrified. He can hear all kinds of noises. Wild beasts must surely be all around him. Maybe even some human might do him harm.

The wind blew the grass and earth, and shook his stump, but he sat stoically, never removing the blindfold. It would be the only way he could become a man!

Finally, after a horrific night the sun appeared and he removed his blindfold.

It was then that he discovered his father sitting on the stump next to him.

He had been at watch the entire night, protecting his son from harm.

We, too, are never alone. Even when we don't know it, God is watching over us, sitting on the stump beside us.

When trouble comes, all we have to do is reach out to Him.

Moral of the story:

Just because you can't see God,

Doesn't mean He is not there.

"For we walk by faith, not by sight."

Lavington and District Swimming Club

Our local community swimming club could restart at Dauntsey's, with your help

Whether swimming for fun or lane swimming our club caters for all at an affordable price. Using the lovely Dauntsey School 25 metre Swimming Pool. The Lavington and District Swimming Club are unable to restart swimming at Dauntseys School Pool due to a chronic shortage of lifeguards. This is a national situation that is impacting pools across the country.

The school are actively seeking to recruit lifeguards and if you, a member of your family or anyone you know, is interested in becoming a lifeguard please contact us at Lavingtonswim@gmail.com and we will put you in touch with the school and help you through with the recruitment process. Lifeguards must be 16 years or older and there is a cost associated with training, however, subject to agreement, the club may off set some or all of the cost.

Being a trained lifeguard is a valuable qualification that allows you to be employed at pools country wide and is great paid development opportunity for young people. It will also benefit the local community by allowing the club to restart swimming.

For information of the club please contact Stephen Read Membership Secretary on 01380 816280 or email:- Lavingtonswim@gmail.com or contact Club Secretary Anita Holness via email:- anita@kholness.plus.com

The
Edington Music Festival
A Festival of Music within the Liturgy

THE EDINGTON FESTIVAL IS BACK!

After two decidedly different and unusual festivals due to Covid and Covid restrictions, the Edington Music Festival returns on Sunday August 21st for its official 65th outing.

The festival will run for its usual eight days – Sunday 21st to Sunday 28th August, with four services a day, three choirs of top-flight singers under three of the country's leading choral directors, all under the direction of a new Festival Director, Robert Quinney, Director of the Choir at New College Oxford (and former Festival Organist and Director of the Nave Choir.)

Market Lavington Library re-opened to the public on 1 December 2021 in its new location of The Old School, Church Street, Market Lavington, Devizes, SN10 4DT. The library is open on Wednesdays 2-5pm and Fridays 10-5pm.

We are pleased to announce that from Saturday 11 June the library is open on Saturday mornings 10-12pm. The new location is bright and airy. The volunteers will give new and returning visitors a warm welcome.

Customers can borrow free up to 12 books and 10 eBooks via The Libby app. There is also a public computer that customers can use for free.

Ebenezer Baptist Church **The cost of living**

Here's where I embarrass myself by writing an article on what the government needs to do to fix the cost of living crisis. Basically, they have to make sure that stuff is cheaper, and that people have enough money to pay for the stuff they need. I think that just about covers it. Agreed?

'Partygate' aside, there is no doubt that Boris Johnson's political future rests on coming up with effective policies that address the cost of living crisis. Especially when it comes to fuel and food. It can't be right that some people in our society will have to choose between heating and eating come the chilly winter months.

Jesus spoke about the cost of living too. According to the economics of the kingdom of God the gift of eternal life can't be bought, but it will cost you everything. It can't be bought because salvation is by God's free grace, not our efforts. That's why he sent Jesus to die for our sins so that all who believe in him may be forgiven and have the hope of glory to come.

While grace is free, it is not cheap. People may quite like the idea of eternal life, but strictly on their own terms. Well, no. Jesus challenged his would-be followers, "Whoever does not bear his own cross and come after me cannot be my disciple." He urged people to count the cost of discipleship saying, "any one of you who does not renounce all that he has cannot be my disciple." If we would truly live, says the Lord Jesus, we must die to self and follow him. That's the cost of living Jesus' way.

A Message from Cllr Dominic Muns Wiltshire Councillor for The Lavingtons

The Jubilee Weekend was a fantastic display of patriotism and adoration for the Queen but also a reflection of community spirit, neighbourliness, and friendship. I think after so many months of not being allowed to see each other, followed by the cautious opening-up of life, everyone has realised just how much social interaction suffered. With bunting covering many streets, neighbours new and old joined together in street parties, fetes, and other celebrations; fantastic to be a part of.

Thatcher (in)famously said in a Women's Own article in 1987 that there was no such thing as society. My interpretation of her words is that out of the box "society" or "community" does not exist, it isn't just some entity that is always there, it is the sum of what we do as individuals working together. When I look at the Jubilee celebrations across our villages there is evidence that society DOES exist in a huge way and that is due to the community spirit of so many of you. If you came out to celebrate with your neighbours over the Jubilee or if you delivered medicines during Covid lockdowns, support your Parish Council or volunteer at a youth club or anything else community focused, YOU are building society.

A friend of mine once told me of an expression in education where teachers were either "radiators" or "drains", describing those that give off positivity and lift others up and those that are so negative their very presence brings people down. The vast majority of our neighbours are definitely radiators, you only need to look at the wonderful things happening in and around our villages to see the positivity that people give off; it is both uplifting and inspiring and I love living here because of it.

Unfortunately, it isn't all rainbows and butterflies. In the early hours of Monday 6th June, a motorbike was stolen from a rear garden in West Lavington. The theft, which was clearly planned and carried out by multiple individuals was captured on CCTV. I mention the incident for two reasons, firstly as an appeal to anyone in West Lavington with a Ring doorbell or CCTV who might have captured suspicious behaviour between 2am and 3:30am. Secondly as a warning, please be cautious, keep valuable items out of sight, sheds and garages locked and be inquisitive if you see strange vehicles or individuals in your street. There is nothing wrong with taking a vehicle registration and calling 101 to report suspicious activity; it might just allow the Police to join the dots should a crime be committed.

Sadly, a very tiny minority of neighbours are foul-smelling drains with nothing better to do than to drag others into their own misery. Rise above it, together we will drive the negativity out, there is no place for it in our villages so long as we continue to stand together.

To end on a positive, and I know I am always harping on about it(!), West Lavington Youth Club recently opened its doors for the first time in a long while and was quickly at maximum capacity! With so many people wanting to come along, but with a limitation on numbers due to adult/young people ratios, the energetic and friendly team is hoping that volunteers may step forwards to help. If you are interested in helping out for a few hours, please get in contact with the inspirational Dave Brown (westlavingtonyouthclub2022@gmail.com).

You may contact me about this or any other matter by email to dominic.muns@wiltshire.gov.uk or by phone on 07585 394 178.

From the Chairman's Report to the Annual Parish Meeting

Thanks are due to the villagers who have done so much to make this a better place to live.

The team who organise the Vintage Event, the people who look after the flower beds in the Market Place and the planters in phone box. The knitters who decorated the phone box, and the people who have painted the phone boxes. The chap who walks our footpaths and clears ivy off trees that are being starved of light, water and food. The people who came out on different days to tidy Canada Woods and The Broadwell. The people who go around the village picking up litter, not just Mr Lever who cleared litter for 6 months as part of his Duke of Edinburgh's Award, but also those older people who quietly keep the village tidier.

And especially, the volunteers who run the local groups that make this Parish such a Vibrant place to live, From Mum's and Chums to the Monday and Tuesday Clubs, via youth groups, sports groups, and interest groups.

Thank you to you all.

End of Season Fun Day!

Another successful season for the Badgers on the field has ended. Most teams have broken for the summer, or playing summer tournaments. The end of season Fun Day took place on the 11th June. It was a roaring success, with all the club’s players, parents and supporters coming together at Northbrook to celebrate the season, take part in numerous fun activities and have the end of season presentation and award ceremonies. A fantastic £1,330 was raised towards the Clubhouse Replacement Fund which was a fantastic effort, and the club would like to sincerely thank everyone who attended and contributed to organising, setting up, running and making the event so memorable and such a success. The Clubhouse Replacement Fund now stands at more than £10,500 towards the £20,000 target. If you wish to help, please visit https://www.gofundme.com/f/help-worton-cheverell-replace-the-club-roof?sharetype=teams&member=17482141&utm_medium=social&utm_source=whatsapp&utm_campaign=p_na+share-sheet In addition, our club groundman’s, coach and stalwart Mark Goddard has been given an award for making a difference and dedication and commitment to grassroots football by Wiltshire FA. Really well deserved for years of service to the club and youth football. Well done Mark! The club will now break for the close season but now is the time to register if you are interested in joining us for next season. Registration is open via the relevant age group team coach or the club secretary. We would also welcome contact from any small business wishing to sponsor an advertising board.

Student Research – Survey

The Impact of COVID-19 on transport accessibility in Wiltshire across different age groups

I am a student at the University of the West of England conducting research into transport accessibility within Wiltshire and whether COVID-19 has had an impact on this. I would be greatly interested in hearing your views and gaining information on your experience on this matter.

If you are interested in taking part, then please visit the link below:

https://uwe.eu.qualtrics.com/jfe/form/SV_4lxoZHi2WZon2qq

Your answers will be fully anonymised and at the end of study will be deleted. At the point of analysis your data will be analysed with other participants anonymised data.

Further information is available on the Participant Information Sheet at the start of the survey which is also available to download along with a copy of the consent form.

Market Lavington Jubilee Picnic

About 60 people decided to use the Elisha Field for their Jubilee Picnic Thank you to the team providing music. This was the first time that they had been able to use the new, to them, disco and PA trailer.

I was surprised to discover how many people in Market Lavington do not know where the Elisha Field is, or what is available there. It is the sports field up Drove Lane beyond St. Barnabas School. There is no access from Kings Road.

DEVIZES CARNIVAL SATURDAY JULY 9TH 2022

The parade sets off at 5:30pm | Entrant registration by 3rd July
 Leaving the Green at 5:30pm, the Devizes Carnival Procession brings the town alive
 with vibrant walking groups, floats, bands and more with thousands of people
 lining the streets along our 2km route. Groups can set up on the Green from 4pm.

The theme for Carnival this year is 'Go Wild', we imagined all the wild things in the
 parade celebrating after such a long time without the carnival.
 Thinking of the environmental issues we face at the moment, we wondered what
 would happen if Noah had an Ark now. If he could take a selection of our carnival
 entries on board who he would choose and why? Maybe you can help decide?

EASTERTON JUBILEE PICNIC

We were uncertain about the weather, but we decided to "bite the bullet" and go for an outdoor picnic. Accordingly a team of willing volunteers set to and prepared the field for the picnic. The tents were set out to provide as much cover as we could and to protect the band and the providers of refreshments for those who chose not to bring their own picnic.

In the event the weather was kind. The rain held off and by mid afternoon we were seeing glimpses of sunshine, and an estimated 200+ people of all ages enjoyed a relaxed and friendly celebration of this momentous occasion. The band played on, the fancy dress was judged and prizes given accordingly.

Huge thanks are due to the construction and take down team, the volunteers who ran the refreshment stalls, the hall trustees who made the hall and field available for the event and, of course, to all of you who came along to celebrate the 70 year reign of Her Majesty the Queen.

There were, inevitably, some expenses. Fortunately, and only because of some very generous donations, we "wiped our face" and came out of the day with a small surplus of funds which have been donated to Julia House.

Consumables sold 678.75

Costs, including band 'Equinox' £390.70

Donation: Julia's House Children's Hospice £88.05

Thank you to everybody who made the day such a success ..

Monday Club in July

July 4th 2.15 to 3.45pm at Market Lavington Community Hall
It all began with the Pilgrim Fathers, with Tom MacMeekin.

July 18th Visit to The Rowdy Cow for Ice Cream.
Times will be sent to members.

No Meeting in August

Starting out as The Darby and Joan club, the Monday has been going since October 1963. There are fortnightly meetings now in the Community Hall (but not in August) with a speaker or an activity ending up with sandwiches and cake. There are 2 teams of sandwich and cake ladies serving up plates of goodies on a regular basis but unfortunately Jo, the current organiser, is having to move away. The calendar for the rest of the year is largely in place but if no one comes forward to replace Jo, the Monday Club will not be able reopen in September.

Is there anyone in the village who feels they could take on this role and continue the work of this happy little group?

For more information please contact Margaret 813560 or Jeannie 813246

Hello from Jo

Back in July 2018 I moved into Sands Bungalow in Market Lavington, from Alloa in Scotland. Within the first 6 months I had joined The Monday Club and WI and made some great friends. To my amazement I took up the challenge of being Team Leader of the Monday Club in 2019. Then, in 2020 the "Pandemic" hit, which showed the great community spirit here . It was also the year I had to deal with Breast Cancer. Time did not stand still and then 2021; with restrictions The Monday Club met up again, Now in 2022,due to circumstances out of my control and with much disappointment I have to say farewell lo the village. To my close friends here, I will keep in touch. To the various businesses, here that have assisted me - thank you and the very best going forward.

Jo (Joanna) Perkins.

News from Dauntsey Academy Primary School

The Summer months are a hugely transitional time for our school as we prepare for our wonderful Year 6 students to move on to pastures new and we welcome in our new Early Years class for some taster sessions before they start with us in September. We also make the most of the sunshine with Sports Day, games of rounders, leavers colour run, outdoor learning and much more.

Music to our ears!

We are always singing at DAPS and we love nothing more than joining in with one of Mrs Bathurst’s wonderful singing assemblies. We are taking part in a joint Summer Concert on Wednesday 13th July where Lavington, DAPS and Bishop Cannings schools join together for a fabulous evening of music. All our children – current and those that have moved on to Lavington - will be taking part in this concert and we cannot wait to see them all enjoy their evening.

We were also incredibly fortunate to take part in the Young Voices concert at the O2 where more than 8,000 children filled the O2 and sang together. Hours of practise and rehearsals paid off for this wonderful evening and it was such a privilege to play a part in this amazing event.

School Play

Now that our Year 6 children have completed their SATS and recovered from their week long residential in Devon, their attention has turned to their summer performance of Aladdin. With pages and pages of lines to learn, they are busy rehearsing their parts and making their costumes, with Year 5 supporting them along the way. It’s a rite of passage at DAPS for the Year 6 students to lead the summer play and we very much look forward to seeing the show in the next few weeks.

Summer fun

Following last years very successful YES DAY, the children get to say YES again! Teachers and staff will need to take a deep breath in preparation for the children setting the rules for the day as they get to say yes when normally, it’s a no! Gone are the uniform rules, tidy hair rules, no nail varnish rules and no squash rules and it’s a big YES to them all. We will also be enjoying ourselves into the evening too as the annual School Disco is also back!

Come and see us

We are always happy to welcome prospective parents to come and have a look around our lovely, friendly and vibrant school should you wish to consider us for your children in September or your school starters in September 2023. Please get in contact on 01380 813373 or enquiries@daps.wilts.sch.uk if you would like to visit us to find out more.

St Barnabas Nursery Class

We are now taking applications for new starters in our Nursery Class. Spaces are available for 2-4 year olds. For further details or to request an application form, please email admin@st-barnabas.wilts.sch.uk or call us on **01380 813436**.

Please remember that we regularly arrange ‘Rags2riches’ collections from our school and this is a great way for our school to raise extra money. If you are having a clear out of unwanted clothing, paired shoes, soft toys, towels, bedding and household linen please do drop it in to us.

At St Barnabas Primary School we have been having an extremely busy and memorable Summer Term, full of activities, fun and learning. The weather has been kind on many occasions making it possible for us to spend much time outside in the sunshine enjoying our lovely setting.

We started the term with a visit from Quirks Animal Roadshow, all the children got to meet, hold and talk about a variety of animals including a tarantula, a tortoise, a bearded dragon, a tree frog and a snake! Some of the children were a bit reluctant at the start but overcame their fears and really enjoyed the experience. We all learnt a lot about how and where different animals live and what they like to eat.

It was during the first half of this term that our year 6 children completed their SATS tests. We would like to say a massive well done to them all, they all worked so hard and did their best and we are incredibly proud of them all. They are all now proudly wearing their 2022 Leavers Hoodies, even in the heat! Now that the SATS are done the focus has switched to the end of year performance of 'Mystery at Magpie Manor'. There is a buzz of excitement about the school as costumes are tried on and songs are practiced. From what can be heard so far throughout the school it sounds like we are all in for a treat!

Thankfully the sun shone on us for our Jubilee Celebrations. We were delighted to have special guests join us from Market Lavington Care Home HC One and many parents and family members too. A picnic lunch was provided on long tables across the playground, strewn with flowers and bunting, with everyone enjoying some amazing food and cakes! The whole school performed four songs from the list of The Queen's 10 favourite pieces of music; Anything you can do, Sing, Praise My Soul the King of Heaven and The White Cliffs of Dover. After much practicing it was great to see the children have the opportunity to demonstrate their Makaton signing skills whilst singing 'Sing' by Gary Barlow.

After Half Term we were visited by Kalpesh from K'z Dance, he came to tell us all about the Hindu Festival of Holi, also known as the Festival of Colours. Some of you may have seen the children that afternoon after they had wished each other 'Happy Holi' by applying bright coloured powder paint on each other, they were a literal rainbow of smiles! It is fair to say the children (and the staff) had a fantastic day dancing to music, learning about the celebration of good over evil and having great fun with powder paint.

As we get nearer to the end of the Summer Term, not only do we get to enjoy all these celebrations and a brilliantly competitive sports day, but it is also a time to reflect and celebrate the children who will be leaving us and moving on to their new schools and new adventures. We wish all our St Barnabas leavers luck in their new schools; we will miss them all but know that they are ready and excited for their next challenge. Meanwhile, at the other end of the school, we welcome our new Reception Class starters at our Teddy Bear's Picnic in July. We can't wait for their September start, when their primary school journey with us begins.

Temporary Road Closure Order Town Police Clauses Act 1847

IN ACCORDANCE with Section 21 of the Town Police Clauses Act 1847, which section gives Wiltshire Council ("the Council") the power to make an Order for roads within its administrative area to be closed temporarily to all vehicular traffic (and for alternative routes to be observed) for the purposes of preventing obstruction.

The Council HEREBY ORDERS

On: Saturday 16 July 2022 and Sunday 17 July 2022 Between the hours of 08.00 and 17.00 on each date;

Purpose: Charity Vintage Vehicle and Family Fun Weekend

The part of the road known as Drove Lane (Part), Market Lavington; from outside property known as St Barnabas Church of England School to outside property known as Yard Office, to be closed (save in all cases of emergency) to all vehicular traffic.

Nothing in this Order shall prevent vehicles from proceeding in the said length of road when being used in connection with the event stated above.

AND it is also hereby ordered that appropriately sign posted diversionary routes will be in place throughout the period of closure.

Battle of Britain Memorial Flight

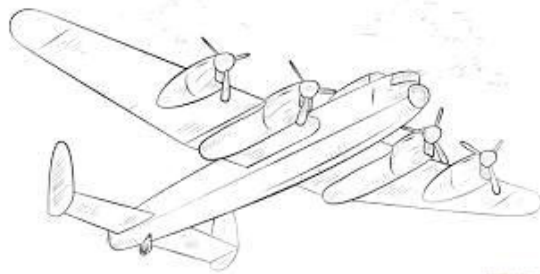

The BBMF have confirmed the following planned flypast times, over The Elisha Field, subject to weather conditions

Saturday 16th July: Spitfire 1:30pm Spitfire

Sunday 17th July: Lancaster 2:57pm Lancaster PA474

The aircraft will be flying over the Elisha Field as they return from the International Air Tattoo at RAF Fairford to their base at RAF Coningsby in Lincolnshire

ECO-CORNER

Water is a precious resource

97.5% of the world's water is located in seas and oceans, too salty for our use. Most of the remaining 2.5 % is in the ice caps. So we depend on the tiny bit available as fresh water – essential for life. The average UK household currently uses around 330 litres of water daily – that's 140 litres per person every day. Climate breakdown is one of the biggest causes of water shortages. In England, according to the UK Environmental Agency, we face water shortages by 2050 - unless we save water fast. The link between water and climate is being accelerated by climate change because floods, droughts and heat directly impact the availability of the water that humans need. Changing the way we use water will help strengthen our planet's ecosystems and reduce the risk of extreme water events that make water more unpredictable and scarce. Preservation of water should be an objective of each of us; no government or institution can save water unless we want to.

So what can we do? There are many ways we can save water around the home.

Some examples:

In the kitchen: wait until you have a full load before using your washing machine or dishwasher; only fill the kettle with the amount of water needed; cover saucepans to reduce water loss during heating; fix dripping taps that can waste 15 litres of water a day.

In the bathroom: turn the tap off while brushing your teeth (a running tap can waste more than 6 litres of water a minute); take a shower instead of a bath; spend one minute less in the shower each day - every minute in a power shower uses up to 17 litres of water.

In the garden: use a watering can instead of a sprinkler or hosepipe which, left running, can use between 500 and 1000 litres of water an hour; use a water butt to catch rainwater and use this to water your plants; plant drought-resistant plants.

More tips are available at <https://www.ccwater.org.uk> and <https://www.waterwise.org.uk>. The Bathroom Manufacturers Association has developed a voluntary labelling scheme europeanwaterlabel.eu to help consumers make informed choices when purchasing water using products. Saving water is critical for up-and-coming generations. They won't have enough water unless we begin conserving now. In anticipation of a warm summer, let's get started!
