**Reflection for June 2022**

At last, the summer is here with its promise of warmer days. The air filled with the heady sent of honeysuckle and roses, the buzz of bees and a gentle breeze to cool us while we cut the grass, weed the beds and dead head the flower beds as we move around our gardens. And of course we are fast approaching the longest day of the year.

And as we all pray for the weather at the start of June to be warm and dry if not sunny, we all look forward to the many events and activities planned to celebrate the Platinum Jubilee of Her Majesty, Queen Elizabeth II.

Within our benefice there are plans for picnics in parks, fetes, dog shows, two church services to choose from and at least the church picnic following on from a special service, in honour of the Queen, of sung matins. A service our Queen knows very well.

Maybe you are doing something else to celebrate this monumental achievement of service by Her Majesty to our country. Perhaps you have planned to go out for the day or are going to join in the celebrations in London. However you are planning to celebrate, I wish you good weather and a joyous time.

Of course our Queen has the constitutional title of Supreme Governor of the Church of England and holds the title “Defender of the Faith”, a title handed down from the Reign of Henry VIII. Henry was given the title by Pope Leo X on the 11th October 1521 for his defence of the Catholic faith in answer to the augments of Martin Luther. When Henry broke with the papacy, Pope Paul III deprived him of his designation, but the title was restored to the king by Parliament in 1544. Since then each reigning monarch has carried the title.

I wonder what the title means to our Queen. She is a devout Christian and has led a faithful life. Giving herself in service to God and this country. I and many others have known only one sovereign, Elizabeth II and while you may or may not agree with all that the Royal Family do and/or stand for, I think she upholds the title very well. With God’s grace, may she continue to reign as our Queen.

### The King of Love

Over an elongated Bank Holiday weekend a grateful nation will pause to mark the Platinum Jubilee of Queen Elizabeth II. I well remember the Queen's Silver Jubilee celebrations way back in 1977. We had street parties, people merrily waved Union Jack flags and wore red, white and blue plastic hats. Much fun was had by all. Little did we think when we sang, 'Long live our gracious Queen', that Her Majesty would live to see her 96th birthday and reign over us for 70 years (so far).

The Queen's reign has been so long that she seems like a living embodiment of modern British history. She has seen 14 inhabitants of 10 Downing Street, from Winston Churchill to Boris Johnson. Even the oldest of us has lived most of our lives under her rule. We don't like to think that one day Her Majesty's reign will end, but end it will. Prince Charles sitting in for the Monarch at the recent State Opening of Parliament was a little glimpse of what's to come. His time on the throne is bound to be short lived compared to that of his mother.

The Queen makes no secret of the fact that her dedicated service to the nation is inspired by her faith in a King far greater than even her royal personage. That King is Jesus. The Bible styles him, 'King of kings and Lord of lords'. Death will not deprive him of his crown. In fact, it was by dying on the cross for our sins and being raised from the dead that he was enthroned as the world's true Lord and King. His kingdom of love will never end.

In her message to the Commonwealth in 2011, Her Majesty the Queen, said: "Although we are capable of great acts of kindness, history teaches us that we sometimes need saving from ourselves – from our recklessness or our greed. God sent into the world a unique person – neither a philosopher nor a general, important though they are, but a Saviour, with the power to forgive. Forgiveness lies at the heart of the Christian faith. It can heal broken families, it can restore friendships and it can reconcile divided communities. It is in forgiveness that we feel the power of God's love."

## You're invited to Bishop Stephen's Enthronement

A big diocesan welcome for Bishop Stephen will take place on Sunday 19 June at Salisbury Cathedral, 3pm, to which everyone in the diocese is invited.

You're invited to Bishop Stephen's Enthronement

The Dean, Bishop Karen and Bishop Andrew offer a warm welcome to clergy, lay leaders and parish groups from across the diocese to this special service.

Invitations to special guests and those invited to robe will be sent out this week, everyone else is welcome to come and join in the enthronement of the 79th Bishop of Salisbury. There is no need to book.

Bishop Stephen writes: 'I am looking forward to the final stage of the process of arriving, which in itself is a beginning! I am grateful for all the support we have received and look forward to this being a moment for the whole diocese, not just its bishop.'

Bishop Karen adds: 'Let us make this afternoon a moment of celebration as we gather as a diocese from our rural, market town, coastal and urban parishes, east, west, north and south, to welcome our new bishop and be enthused for the next stage of the journey God is taking us on. Do share cars, book minibuses, or use public transport to gather in Salisbury for this service which will mark the formal start of Bishop Stephen's ministry amongst us.'

West Lavington Youth Centre is reopening after being closed for more than two years due to Covid. I was appointed some two months ago as the new manager and have undertaken a recruitment drive to bring on board a fantastic youth worker called Joshy and brought back Ellen who used to work at the club, so a familiar face for many, I'm sure. We had initially planned to open for just younger children but having met a small group of local 16-year-olds decided to fast track an older age group too. We still need to add more staff to the team to ensure staffing resilience to cover sickness and holidays as I don't want to be opening and closing the club due to staff shortages – so please do get in touch if you'd like to help out.

The club will officially open on Tuesday 7th June from 18:00 – 20:00 for those broadly in year groups 5 – 8 and on Wednesday 8th June from 18:00 – 20:00 for those in the older age groups. Having spoken to some young people we will aim to offer sports-based activities, arts and crafts, along with the opportunity to hangout with friends in a safe place. We will also be looking to bring in outside organisations such as circus skills, graffiti, and music artist to offer bespoke sessions. Ultimately whatever we do, will be based on the views of the local young people, so come along to the opening night where will be keen to hear your views! All those who do attend will have to become members, but entry will be free as we want to be as inclusive as possible.

### WHAT IS COURIER FRAUD?

Courier fraud occurs when a fraudster contacts victims by telephone purporting to be a police officer or bank official. To substantiate this claim, the caller might be able to confirm some easily obtainable basic details about the victim such as their full name and address.

The caller may also offer a telephone number for the victim to telephone or ask the victim to call the number on the back of their bank card to check that they are genuine. In these circumstances, either the number offered will not be genuine or, where a genuine number is suggested, the fraudster will stay on the line and pass the victim to a different individual. After some trust has been established, the fraudster will then, for example, suggest;

- Some money has been removed from a victim's bank account and staff at their local bank branch are responsible.
- Suspects have already been arrested but the "police" need money for evidence.
- A business such as a jewellers or currency exchange is operating fraudulently and they require assistance to help secure evidence.

Victims are then asked to co-operate in an investigation by attending their bank and withdrawing money, withdrawing foreign currency from an exchange or purchasing an expensive item to hand over to a courier for examination who will also be a fraudster.

At the time of handover, unsuspecting victims are promised the money they've handed over or spent will be reimbursed but in reality there is no further contact and the money is never seen again.

### PROTECT YOURSELF:

- Your bank or the police will never call you to ask you to verify your personal details or PIN by phone or offer to pick up your card by courier. Hang up if you get a call like this.
- If you need to call your bank back to check, wait five minutes; fraudsters may stay on the line after you hang up. Alternatively, use a different line altogether to call your bank.
- Your debit or credit card is yours – don't let a stranger take it off you. You should only ever have to hand it over at your bank. If it's cancelled, you should destroy it yourself.

## A Message from Cllr Dominic Muns Wiltshire Councillor for The Lavingtons

Encouraging local youth initiatives is a bit of a pet-project for me at the moment, not just in The Lavingtons but across the Devizes area. I am working with a variety of stakeholders to improve youth provision and thankfully I am starting to see some really positive changes. Enthusiasm from Devizes Town Council is strong, support from Wiltshire Police is promising, Wiltshire Council's Devizes Area Board has provided financial assistance and more and more dedicated volunteers are coming out to build exciting offerings across the area to benefit our children and young people.

Last month I shared with you the excellent news that West Lavington Youth Club has appointed an experienced team and I am delighted to say that they will be open on a Tuesday night for children in school years 5 to 8 and a Wednesday night for those who are older. Great Cheverell has also built a team of youth club volunteers and received funding from Wiltshire Council. The final piece of the puzzle is in gaining the support of the Pavilion Trust to offer the youth club a home. Fingers crossed the Trust will support the community by opening the Pavilion's doors.

Local casework has kept me extremely busy this month, but I can honestly say, as exhausting as it is, it remains a pleasure to represent my community. I thought it might be interesting to share some of the things I am working on behind the scenes.

I continue to work with the Police & Crime Commissioner and Community Speed Watch coordinator to finalise my plan for a significant update to the way we can tackle village-based speeding. My focus is maintained on preparing representations to the Eastern Area Planning Committee regarding two local Planning proposals. I've had site meetings in West Lavington with Hayfield Homes, developer of the Lavington Lane site, to negotiate goodwill contributions to the community in the form of improvements to local infrastructure (in addition to the statutory CIL payments). I've also met with our Planning Enforcement Officer and residents across Great Cheverell, West Lavington and Market Lavington to resolve local issues involving rights of way and land encroachment. Alongside regular attendance at monthly meetings, I've also tried to support our local parish councillors across The Lavingtons who give significant energy to making our villages better places to live. I work with Danny, our local MP, on joint initiatives such as the resolution of issues in Victoria Park and the poor standard of service offered by certain housing associations, Aster being a key focus for us at the moment. I'm proud to say I continue to frustrate Wiltshire Council's Cabinet as well as certain council officers with my constant championing of issues you raise with me, primarily on the Highways front! Then there is of course the county-wide Education portfolio which I look after which brings a whole mountain of challenges as schools across Wiltshire face rising costs at the same time as trying to catch-up after so much schooling has been missed due to the pandemic.

If you do find a delay in me responding to you, please do not take offence  
I will always respond and try to assist you however I can!

You may contact me about this or any other matter by email to [dominic.muns@wiltshire.gov.uk](mailto:dominic.muns@wiltshire.gov.uk) or by phone on 07585 394 178.

News from Dauntsey Academy Primary School

May and June are exciting months for us with a school calendar full of so many fun activities and experiences. It is a pleasure to see the children playing in the sunshine and hear them singing and practising their songs for the Young Voices concert at the O2 this month through the open windows. We have been fortunate enough to welcome several new children into our school community over the past few weeks and it is lovely to see both them, and their families, integrate into our DAPS family.

Fundraising

I wanted to start with a big thank you to all the family and friends of our DAPS children for supporting them in their Bunny Hop fundraising activity at Easter. They raised £4,400 from the sponsorship and alongside the Easter Bingo, the days festivities raised more than £5,000 for our school. The children ran a total of 2,544 laps of our course which totalled a whopping 535km – I couldn’t be prouder of them and I am so grateful to everyone who supported them.

We set out to raise money to build a new animal enclosure for the school so we could welcome more 2- and 4-legged furry friends into our DAPS family but the money raised was so beyond our expectations, we can also look to renew some of the IT equipment the children use in class - every penny will go to such good use.

Outdoor and overnight adventures

With so much of the school calendar proving challenging over the past 2 years, we are making the most of our new found freedom! Year 6, having worked so hard in the lead up to their SATS exams, have enjoyed an amazing week in Bideford at the Ultimate Adventure Centre enjoying surfing, coasteering, ultimate wipe-out assault courses, high ropes, den making, campfires, archery and so much more. Our Year 4 children are also having an exciting night away with the Wiltshire Outdoor Learning Team at Thoulstone Park. Year 5 will be braving a ‘night in the Devizes Museum’ this month too, taking part in workshops, enjoying fish and chips and spending the night...joined by me for the sleepover!

Our Year 2 and Year 3 students also had a great day trip to the STEAM museum to support their topic on the wonderful achievements of Isambard Kingdom Brunel which proved a day of interactive learning for them all.

Looking for volunteers!

I would like to take this opportunity to thank new volunteers from the village who have come forward to offer their services to our school. We rely on our volunteers to support our school community and help us broaden the experiences we can offer our children. Whether it be coming into school to hear the children read, helping at Forest School on a regular basis or helping serve tea and coffee at sports days - if you have time within your week and would like to support our school, please do drop us an email on enquiries@daps.wilts.sch.uk or pop in for a chat and we can help arrange the appropriate DBS checks etc.

Philippa Winbolt, Headteacher.

Market Lavington Annual Parish Meeting

The council and parishioners welcomed representatives from the Co-Op (Colin) and the developers of the field beside The Spring (Sean) who came to give a brief outline of a proposal and answer questions put by parishioners.

- The proposed site for a new Co-Op store would be beside the existing houses on the former Shires Garage site.
- If it went ahead there would be 15 houses built on the rest of the field, instead of the 20 that are currently planned.
- The new Co-Op would have additional storage space and nearly 3 times as much shelf and cold cabinet space as now, but be small enough to open all day on Sundays.
- With more storage space, there would no longer need to be daily deliveries as part of a larger load going to a big store. One smaller lorry, less often.
- The development will only go ahead if parishioners show that they are in favour of this happening. If parishioners do not support the development, the existing Co-Op would stay open.
- The Neighbourhood Plan is a legal document, changes from the plan would need, I believe, to be agreed by a legally binding vote. Either through a completely new Neighbourhood Plan, or on a variation. Wiltshire Council law officers would have to tell the Parish Council what would have to happen.
  - It would take many years for the development to happen.
  - This would have an impact on how traffic flows along
- If you have any questions about this potential change, please either speak to Tasha at the Co-Op, or pass your questions or comments to the Parish Council which will pass them onto Colin and Sean.

Colin Osborn, Chair, Market Lavington Parish Council

#### Season Finale!

Most teams have now ended their leagues fixtures. 3 teams have finished second in their leagues and one has made a cup final! Overall, it represents another highly successful season for the club on the field. Teams will now play summer tournaments and friendlies before breaking for the summer. The club end of season presentation day takes place on the 11<sup>th</sup> June.

The major fundraising appeal to replace the clubhouse roof at Northbrook which was ripped off by Storm Eunice is still progressing. The Roof Replacement Fund now stands at more than £4,000 towards the £20,000 target. If you wish to help, please visit <https://www.gofundme.com/>. Please get in touch with the relevant team contact if you are interested in joining The Badgers. We would also welcome contact from any small business wishing to sponsor an advertising board.

**Badger Cubs** - ages 4-6 years. The season has now ended with all the team looking forward to the presentation day in June.

**U7s** – Both team teams are playing well and making great progress, making the coaches very proud.

**U8s** – Under 8 finished strongly in the league, now looking forward to playing in tournaments. Everyone excited about the presentation fun day.

**U9s** mixed and girls – The season has now ended with both teams looking forward to the presentation day in June.

**U10s** - The team are in a cup final on the 21<sup>st</sup> at Bromham, have done well in league games and are looking forward to going 9v9 next season

**U11s** - got to a semi-final and have enjoyed league games.

**U12s** –U12 complete league season with just 3 defeats over 20 games.

Fantastic performance and ready to go at U13 after deserved summer break

**U14s** – The team ended the season with a fantastic 2-0 away win at Castle Combe to end the season second, having only suffered 2 defeats. The team will play one summer tournament at Devizes, train until the end of June and then resume at U15 in September.

**U15s** – The team finished 2nd despite only losing 1 match, drawing 1 and winning 12.

Continuing to training with few friendlies until mid-June and then will have a summer break returning mid August.

**U16s** – The team ended the season second in the league.

## Lavington Preschool

We welcomed 3 new children this term who have settled in beautifully and Miss Phoebe who will be working on a Tuesday and Thursday until the summer holidays. Before the Easter holidays we were fortunate to have been given a batch of eggs which the children watched hatch and we had the chicks for a few days. We also had caterpillars and the children checked in on them daily, they first found them in their cocoons and then when they emerged as butterflies we took them out onto the school field and released them. Marvellous Maths visited us at the start of term, working with the children by introducing mathematical language through fun activities and games. We held our annual Trike Ride on the 6th May for the first time since 2019. Thank you to Mrs Winbolt, (head of Dauntsey's Academy Primary School) for allowing us to hold this event in the school playground. The children had a wonderful time whizzing around on their bikes, trikes and scooters with their families watching the event. We were also joined by Mrs Winbolt and Buddy the dog too.

We have been using our bug collectors to look at all the wonderful bugs we have in our gardens. We have been using the playdough and loose parts to create our very own bugs too. We walked up to the village store to buy the ingredients to make some cheesy straw worms. The children were able to find the ingredients in the store and we ticked them off our shopping list as we found them.

We are still enjoying Blue Butterfly Yoga visit us once a week and the children are now becoming quite good at the variety of positions we have been learning. We look forward to Maxine visiting as she brings exciting yoga activities for the children to join in with.

## The North Wessex Downs AONB

The AONB covers an area of some 1,730 km<sup>2</sup> (670 sq mi). It takes the form of a horseshoe, with the open end facing east, surrounding the town of Newbury and the River Kennet catchment area. The northern arm reaches as far east as the suburbs of Reading in mid-Berkshire and as far north as Didcot in South Oxfordshire, whilst the southern arm extends to Basingstoke in northern Hampshire. To the west, the AONB reaches as far as Calne and Devizes.

The North Wessex Downs AONB is delighted to announce bookings are open for the North Wessex Downs Walking Festival taking place 11-26 June. The festival is just one way that the team at the AONB are marking the 50th Anniversary of the AONB – when it became a protected landscape in 1972.

With 28 walks across the area there are opportunities to discover wildlife, history or culture, follow an accessible trail, visit a working farm, enjoy a family picnic or simply soak up the views from atop the downs. Walks are led by friendly and knowledgeable guides who will bring their favourite places alive for walkers.

Many walks are free, but all require booking as places are limited. Details of all the walks and how to book can be found online at [www.northwessexdowns.org](http://www.northwessexdowns.org) on the walking pages.

## Could you offer a stable and supportive home?

We need foster carers who can provide a loving, supportive home for children in care. We will provide you with suitable placements to match your circumstances. You will be part of a professional team and be provided with your own support worker, ongoing training and a 24 hour helpline. In addition, you will be paid a generous allowance.

### Interested?

## ECOCORNER

### Plant a Tree for the Jubilee!

The Queen and The Prince of Wales planted the first Jubilee tree in the grounds of Windsor Castle in March this year, to launch the Queen's Green Canopy, a not-for-profit tree planting project to mark her Platinum Jubilee and which aims to raise funds that will go towards creating green spaces in deprived urban areas and schools in the UK.

It invites and encourages individuals, Scout and Girlguiding groups, villages, cities, counties, schools and corporates from across the United Kingdom to "Plant a Tree for the Jubilee" and will dedicate a network of 70 Ancient Woodlands across the United Kingdom and identify 70 Ancient Trees to celebrate Her Majesty's 70 years of service.

However, taking part in the Queen's Green Canopy (QGC) seeks, in addition to honouring the Queen, to benefit our children, grandchildren and future generations in the face of imminent climate chaos, due to the fact that trees support our natural wildlife, provide cleaner air, reduce pollution, have a positive effect on lessening soil erosion, improve biodiversity and landscape, host insects, and mitigate the effects of climate change.

The official tree planting season is between October to March but, if you haven't already considered, or been able to get on with planting a tree and wish to support the Queen, our planet and our youth, it's not too late! Tree planting will commence again in October 2022 through to the end of the Jubilee year.

Then in October, if you wish, you will be able to become part of the digital legacy of green canopy projects to commemorate the Jubilee by uploading your Jubilee tree to the QGC MAP, a digital record of the Jubilee tree planting projects across the United Kingdom. Alternatively, you might wish to order a QGC freestanding plaque to accompany your tree in situ. Gifting a tree through the QGC to benefit future generations is also a possibility. Everyone is encouraged to play their part for the environment. In West Lavington/Littleton Panell, where we live, the village Streetscene volunteer team, responsible for planting colourful tubs of flowers throughout the two villages, has already done so with a QGC sapling at the corner of Holmfield. If you too wish to participate, and have not already done so, the Queen's Green Canopy website at: <https://queensgreencanopy.org/> contains detailed information on how to plan, plant and protect your tree – and much more. Anne Wilson [mrsannewilson@gmail.com](mailto:mrsannewilson@gmail.com) and Sandra Gamble [acanadiangamble@gmail.com](mailto:acanadiangamble@gmail.com)

Editor's note, the Catalpa tree in the St. Mary's Churchyard was planted on Coronation Day by Market Lavington's oldest resident .
