Get Wiltshire Walking

Free graded weekly walking groups led by fully qualified walk leaders. Friendly and fun, they are a great opportunity to get fit, meet new people and get to know your local area.

Starter walk 🐾

A 30 minute walk across largely flat, stable terrain at a gentle pace with frequent pauses. Suitable for those wishing to become more active or those recovering from surgery or illness.

Stroller walk 🐾🐾

A 45-60 minute walk across varied terrain with some pauses. A progression walk for those looking to increase their physical activity and build stamina.

Strider walk 🐾🐾🐾

This is a 60-90 minute largely continuous walk across varied terrain including some gradients. A walk intended to offer a more vigorous pace and workout.

All our walks are led by fully trained leaders who are able to manage and tailor the walk to meet the requirements of the participants.

Providing you are independently mobile and able to meet the physical demands of the walk everyone is welcome.

By attending the walk participants are declaring themselves fit for the activity and they maintain responsibility for their own safety and well being throughout the walk.

We are sorry, but no dogs, other than sensory dogs, are allowed.

Creation-Tide Competition

Have you ever been inspired by the beauty of the world we live in?

Can we collect enough for a display in the village church and maybe a booklet of the creative talent that we have all been given?

This competition is open to everyone of all ages.

Please send

A Photo

A Poem

A Painting

A Piece of Writing

A Piece of Craft work

There will be a prize for each village, child class (under 12 and adult class). And an overall winner in both classes.

Entries please to Rev Marion Harrison 25 White Street, West Lavington, SN10 4LW or email lavingtonrector@gmail.com with your name and contact details. All entries to be received by 1st October.

Creationtide or the Season of Creation is the period in the annual church calendar, from 1st September to 4th October, dedicated to God as Creator and Sustainer of all life.

Imberbus Day 20/8/22

This was a busy day in the village with double decker buses coming down White Street, and stopping at the bus stop on Church St. Passengers took the opportunity to visit St. Arbucks for Coffee, the Market Lavington Museum and The Old School for home made cakes.

This was the first time that an electric double decker bus has come through Market Lavington. Maybe Salisbury Reds will be buying them soon. Because of the Rail Strike, National Express were running a coach from London Victoria Coach Station to Imber, via Basingstoke, and volunteers ran coaches from Bristol, Coventry and Stratford-On-Avon to Imber.

Reflection for September 22

As some of you may know, my granddaughter has been seriously ill this summer. It started with nerves over her GCSE’s and continued, getting worse for the following three weeks before she was hospitalised. She missed her prom and a family wedding. Life for her immediate family centred around her needs and became all-consuming as her weight dropped from 8st 7 to 6st 2. (She is 5ft. 8in). I prayed, and so did several people here in our villages. Fellow priests prayed and we finally had a diagnoses of Colitis. We breathed a sigh of relief. But three weeks on, very little had changed and she had lost another 2lbs And still doubled up in pain. And then.....

Two days ago I received this email.

“Hi Nana, I wanted you to know I was in a lot of pain last night and couldn’t sleep. So I prayed to God to help ease my pain. And he did! I only woke up once in the night and I have had an almost painless day. I have never prayed before and I didn’t believe in God but there is something there.”

I thank my God for hearing my granddaughters pray. Whatever you perceive God to be, He is out there. Seek and you will find, knock and the door will be opened.

Following the success of last year’s Jazz Social as part of Silver Salisbury, we are pleased to welcome back Celebrating Age Wiltshire musicians Dan Baker and Paul Young for an afternoon of jazz classics.

A Message from Cllr Dominic Muns
Wiltshire Councillor for The Lavingtons

Whilst thankfully, fuel prices at the petrol pumps have reduced slightly over the last few weeks, I expect, like me, you have concerns about the cost of living, especially as winter approaches. I am pleased that Wiltshire Council has been getting on with distributing the £150 Government energy rebate on council tax bills for households in bands A-D. 140,000 eligible households in Wiltshire have now received their rebate and the council is now working on a further discretionary fund for people on low incomes who live in properties banded E-H. Anyone who has any queries about these rebates should call the revenues team at Wiltshire Council on 0300 456 0109.

Over the next few months many of us should benefit from further assistance with all households receiving £400 off energy bills starting in October. The £400 (non-repayable) discounts from energy suppliers will be paid to consumers over 6 months with payments starting from October 2022. However, more needs to be done. I am not anti-capitalism by any stretch of the imagination but when you have an energy crisis with millions struggling financially it makes me angry to see billion dollar quarterly profits for oil companies or multi-million pound bonuses for energy company bosses. Clearly the balance between adequate taxation and encouraging business to the UK is off.

The background to the global increase in energy costs is complex, and there is a huge task ahead for our next PM, whoever they will be. In the meantime, I would like to promote the Warm and Safe Wiltshire strategy, a commitment from Wiltshire Council and Dorset and Wiltshire Fire & Rescue Service. The energy advice line can provide support with the installation of draught-proofing measures, smoke alarms to improve fire safety and advice on reducing energy use, switching energy suppliers, reducing condensation and damp problems, and controlling heating. There are also Government schemes to further reduce the cost of work, or to pay for it completely if you are unable to afford the cost yourself. More information is available at www.warmandsafewiltshire.org.uk or call the energy advice line on 0800 038 5722.

Finally, I must express my congratulations to all students who have been working hard for their A-Levels and other qualifications. It has been an incredibly testing time for those in education with this year’s cohort experiencing unprecedented upheaval thanks to Covid. Whatever your grades, you deserve a huge amount of respect for keeping your heads in the books and showing such resilience. I wish you all the very best for the future in whatever direction you choose to travel. If you have children who have just received their results please pass on my best wishes.

You may contact me about this or any other matter by email to dominic.muns@wiltshire.gov.uk or by phone on 07585 394 178.

Friends of Salisbury Cathedral

The Friends of Salisbury Cathedral are planning their programme of events for 2023, so now is a great time to join.

Members of the Friends enjoy free entry to the cathedral (excluding ticketed events, concerts or parking), they receive newsletters and the charity's annual report, and they are invited to its social events.

Next year's programme begins in January with the Dean of Salisbury the Very Revd Nicholas Papadopoulos being 'cast away' at a Desert Island Discs event.

This is followed by a coffee morning in February and a new members' afternoon in March, the latter to include talks in the cathedral and tea in the refectory.

There will be a day trip to Wells Cathedral in April and the annual Secret Gardens of the Close afternoon in June, during which a number of gardens in Salisbury Cathedral Close are open to the public.

We hope to run a holiday to Wales in July and Friends' Day is in September including the AGM, a lecture, cream tea, organ recital and evensong.

In the last financial year, the Friends gave more than £128,000 in grants to fund projects at the cathedral and safeguard it for future generations.

These grants were made possible by means of members' subscriptions, donations and legacies.

Subscriptions are £25 for a single membership and £40 for joint membership. Gift membership is also available.

For more details and a membership application form, contact the Friends' office on 01722 555190, email friends@salcath.co.uk or visit our website:

Uncertain riches

James Carville was a strategist in Bill Clinton's 1992 presidential election campaign against sitting President George H. W. Bush. If campaign workers asked Carville what should be the focus of their messaging, he would reply, "It's the economy, stupid." Contemporary UK politicians would probably do well to take his advice. Whether the top job goes to Rishi Sunak or Liz Truss, their main challenge will be to steer the country through the cost of living crisis.

With utility bills skyrocketing and inflation on the up the new PM is certainly going to have a job on their hands. We all need to make ends meet. As the Charles Dickens character Mr. Micawber reminds us, "Annual income twenty pounds, annual expenditure nineteen nineteen six, result happiness. Annual income twenty pounds, annual expenditure twenty pounds nought and six, result misery." Ever the optimist, Mr Micawber hoped that something would turn up to solve his financial woes. I trust that Prime Minister Sunak or Truss will have a better strategy than that.

The Bible wasn't written to give politicians detailed guidance on how to run the economy, but it has a word or two to say about money matters. The Good Book insists that the poor should be provided for and warns that those who exploit the needy will be held to account. "Let justice roll on like a river, righteousness like a never-failing stream!" thundered the prophet Amos. The wealthy are told not "to put their hope in wealth, which is so uncertain, but to put their hope in God".

Jesus teaches us to value true riches, "Do not store up for yourselves treasures on earth, where moths and vermin destroy, and where thieves break in and steal. But store up for yourselves treasures in heaven, where moths and vermin do not destroy, and where thieves do not break in and steal. For where your treasure is, there your heart will be also." Jesus is the giver of treasure in heaven, "you know the grace of our Lord Jesus Christ, that though he was rich, yet for your sake he became poor, so that you through his poverty might become rich."

**BOOK NOW FOR A
CHANCE TO SING!**

Edington Arts' 2022 Choral Workshop will take place in the Priory Church on Saturday October 22nd, from check-in at 9.30am to a final run-through at 5pm. Simon Carrington, founder member of the King's Singers and leading international choral director and educator, will finally get to lead a day learning Britten's 'Rejoice in the Lamb' and Elgar's 'God is Great'.

Simon is a wonderful teacher – patient, enthusiastic, experienced, and of course intensely musical. The Elgar is not that often performed, even though it has a great bass solo, majestic organ accompaniment and great lines for singers. 'Rejoice in the Lamb' is quirky, beautiful, somewhat unexpected, but quite rightly a staple for Cathedral choirs. Anything they can do, we can do too!

Our organist and accompanist for the day is Huw Williams, Director of Music at Bath Abbey, and we will welcome soloists from the Edington Festival Consort and Nave choirs.

Application forms are downloadable from the website, www.edingtonarts.org/whats-on, or you can email anne@edingtonarts.org and she will send you one as an attachment. The cost is £25 for the day, including arrival and mid-morning refreshments, and hire of both sets of music. Edington Angels have a 10% discount, and students in full time education or training need only pay £10. A number of singers have already signed up, but there's plenty of room, so why not join us?

White Horse Opera celebrates its post-pandemic return to the stage with a glittering production of one of the greatest of all operatic romantic comedies.

Adina and Nemorino seem made for each other, but their love is hampered by her pride and his shyness. Will his hopes be finally dashed by the arrival of the dashing Captain Belcore, to whose charms Adina appears to be succumbing? Or can the situation be saved by the confidence trickster Dulcamara, who claims to have a potion to cure all ills?

Find out as you let Donizetti's endless supply of delightful melodies wash over you.

September is Catch the Bus Month,

Wiltshire Council is taking part to encourage more people to change their travel habits by taking the bus and celebrate it as a sustainable, inclusive and accessible form of transport.

During the course of the month, the council will highlight several positive aspects of catching the bus in Wiltshire, including free bus passes for older residents, ticket promotions, and apps that allow you to live track bus departures and arrivals.

The Department of Transport's (DfT) National Bus Strategy requires local authorities to form enhanced legal partnerships with bus operators, and the council is working on a Bus Service Improvement Plan (BSIP) to achieve a vision for a better bus network.

Concessionary bus passes for older and disabled residents, which currently entitles the holder to free off-peak travel on local services from 9.30am to 11pm Monday to Friday, plus all day weekends and bank holidays.

Wiltshire Day Rover tickets, other ticket promotions and contactless payments. The Wiltshire Day Rover ticket provides one day's unlimited travel on nearly all local bus services in Wiltshire, across approximately 200 routes in the county

Dauntsey's Choral Society

Dauntsey's Choral Society will return in September singing Handel's Messiah, under the leadership of Philip Pooley. The Choral Society welcomes new members and anyone interested is warmly invited to rehearsals. There are no auditions, and the theme is generally classical, featuring masses, oratorios and cantatas. In the summer term we explore short pieces and perform in local villages.

If you are not sure whether it is for you, please feel free to come along and give it a try for a couple of weeks, we are a friendly bunch!

If you decide to join, subscription details will be discussed with you.

Subscription is £25 for the autumn term.

We meet on a Monday evening from 7.30-9.30pm in the Old Hall (above the school dining hall).

The first rehearsal will take place on Monday 12th September.

If you are interested in coming along, please email dauntseyschoralsociety@gmail.com.

We look forward to seeing you.

Wiltshire Council charity bike ride returns for 2022

Following a two-year break due to the pandemic, Wiltshire Council's charity cycle-ride will take place once again, this September in memory of the late Councillor Jerry Wickham.

Cyclists from Wiltshire Council will be joined by riders from public sector partners and Landmarc to raise funds for two charities close to Jerry's heart.

This year will mark the third charity ride and takes place on 22 September. Riders hope to match the success of the previous rides in 2018 and 2019, with around £7,000 being raised for various charities so far.

Riders will be participating in either a 30-mile route or a 100-mile route around Wiltshire, both starting and finishing at County Hall, Trowbridge. The final route will be shared on the Just Giving page Charity Bike Ride shortly.

The ride will be in aid of The Royal Marsden Cancer Charity and Dorothy House Hospice. Jerry championed The Royal Marsden Cancer Charity for many years and money donated to them will go directly towards research for Prostate Cancer. Dorothy House Hospice cared for Jerry towards the end of his life.

Proms season from Devizes Town Band

It's Proms season again and Devizes Town Band are thrilled to be bringing their much loved Children's Prom on Sunday 4th September and then Proms in the Park on Sunday 11th September to Hillworth Park, both starting at 2pm.

As ever, the band members will be in fancy dress for the Children's Prom and playing lots of brilliant fun music for all ages.

Proms in the Park will be a variety of music from classical to modern and it wouldn't be Proms in the Park without those traditional 'Last Night' pieces!

We'd love to see a full park of people at both events, with picnics, chairs and flags, to enjoy two FREE concerts!

AUTUMN CONCERTS START WITH MARICI SAXOPHONES

After a summer break, the Edington Arts concert series begins again on Saturday 24th September, when Edington Priory Church will be full of the miraculous sound of saxophones as the Marici Saxophone Quartet makes a welcome return.

Those of you who came to their last concert in Edington – in 2016! – will remember the sparkle and wonderful musicality they brought to arrangements of ‘serious’ and lighter classical music, as well as the technical brilliance demonstrated in their own compositions. In the intervening years the quartet has been busy recording, broadcasting and composing, and are delighted to be back on the road playing to live audiences.

The programme is based on their new and very successful album, Origin, and is easy on the ear, inclusive, interesting and, in their own words, “intelligent”. Folk tunes, old favourites, new compositions, music serious and light-hearted, familiar and unfamiliar – it will be a glorious evening showing the full range of soprano, alto, tenor and bass saxophones in all their wonderful versatility.

The concert starts at 7.30pm, and tickets remain at 2014 prices; £20 (front nave), £15 (rear nave) and £10 side aisles. There is a 10% discount for Edington Angels, and 18s and under come FREE. Full programme information is on the website now, www.edingtonarts.org, and you can secure your tickets by emailing sue@edingtonarts.org, or by phoning Chrissy on 01380 831256.

This is proving to be a popular concert, so don't delay securing your tickets!

Work to install the new Broadwell Play Equipment will start either the week commencing Monday 22nd or Monday 29th of August (work will take up to 3 weeks)

During this time, space will be needed in the adjacent carpark for the contractor's vehicles and a skip

There will therefore be reduced parking available, particularly during the day, and restricted access on occasions when deliveries etc. are being made

News from Dauntsey Academy Primary School

September is always an exciting time for us at DAPS. We have waved a fond farewell to our lovely Year 6 class as they take on new adventures at Lavington School, Dauntsey's and a handful of other local secondary schools. And at the same time, we welcome in our new youngest members into our EYFS Elm class, some of which have only just turned four but they will soon be taking school life in their stride.

Welcoming our newest members

Our new members of the DAPS family have a very exciting month ahead of them. Many of our children have come from the wonderful Lavington Preschool – the garden of which is side by side to our EYFS classroom – but others have come from further afield with more families choosing our amazing school due to our large open fields, single-class entry, breakfast/after school club and the very successful continuous provision and outside learning opportunities we provide for our children in Key Stage One.

What the EYFS children can expect

Our EYFS class start with us part-time while they find their feet and get used to the structure of the school day. This allows our teaching and TA staff to visit each of the children in their own homes and to build the relationship between teacher, child and parent.

We also have some exciting events, including the very popular Tea & Toast morning where the children show their parents around their new classroom and garden. The children love introducing their new friends to their parents and the class chickens that roam in the garden will no doubt wander over to say hello too!

The EYFS children will also meet their Year 5 Buddies – a very successful scheme we have run for many years where the Year 5 children take a new starter under their wing and build a supportive and nurturing friendship. The buddy system includes many activities including: being there to play with them at playtime if needed, read books to them in class and sit with them in assembly to help them feel confident and settled in school.

Come and see us

This is also a good time for us to look much further ahead too as parents and carers of children starting school in September 2023 start to consider schools for their children. We welcome you to come and see us – please do just give us a call on 01380 813373 or email us on admin@daps.wilts.sch.uk if you would like to arrange a visit. We will also be running open days on Tuesdays during November where you will be welcome to pop in at any time.

Philippa Winbolt, Headteacher.

ECO-CORNER

Proposed changes in the law will help reduce plastic in our oceans

An estimated 11 billion wet wipes are disposed of in this country each year and during the pandemic the number being used increased significantly. Many of these wipes are described as “flushable” because they are biodegradable, but it can take up to 100 years for a wet wipe to degrade. When wet wipes are flushed away, they can end up congealed with fat in the sewers or end up on our beaches.

In November 2021, the river charity, Thames21, released data showing that a mound of wet wipes, the size of two tennis courts and over a metre tall, had grown at the side of the river over the last 6 years.

<https://www.ecomagazine.com/news/coasts/laser-scans-show-devastating-impact-of-wet-wipes-on-the-thames>

The marine Conservation Trust reported that wet wipes are one of the most common litter items found on UK beaches; last year in their Great British Beach Clean they discovered 18 wet wipes for every 100 metres of beach.

<https://www.mcsuk.org/what-you-can-do/join-a-beach-clean/source-to-sea-litter-quest/>

90% of wet wipes contain plastic such as polyester, polyethylene and polypropylene. These plastics break down into microplastics which are small enough to be ingested by marine life, affecting their development and entering the food chain.

For many people, particularly parents of young children, wet wipes are an important part of the toolkit. However, wet wipes don't need to contain plastic to be effective and Fleur Anderson, MP and mother of 4, has introduced a Private Members Bill to prohibit the manufacture and sale of wet wipes containing plastic. This Bill, which has support from across the House, is due to have its second reading on 16th September.

Some manufacturers have already made changes to their own brand products to make them plastic free and some stores are offering sustainable alternatives

What can you do to help?

- If you don't need to, don't use wipes!
- If you need to use wipes, make sure they are plastic free and don't flush them unless they meet the “Fine to Flush” specification.

- Contact your MP and ask for their support with the second reading of the Plastic Bill on 16th September:
