## **Market Lavington Surgery**

### Closure of Urchfont Branch Surgery

Reluctantly Market Lavington Surgery has taken the difficult decision to close our branch surgery at Urchfont Village Hall on the 31st of December 2023. We appreciate that this might not come as a surprise to you as we have been unable to provide services there since the pandemic.

As you may know, the opening of the Devizes Health Centre was an opportunity for us, as an average sized practice, to reconsider how we provide care. This was with a view to us becoming more resilient and responsive to patient demand for appointments. To do this, we contribute some of our workforce to the collaborative team of clinicians who work at the Devizes Health Centre. Whilst we now have more clinical staff to provide this service and our routine appointments at the main surgery, we are unable to reintroduce clinics at Urchfont Surgery. We have not considered this option lightly and we hope that you understand our reasoning for the decision we have had to take.

We would like to reassure all our patients that our service will run as normal at Market Lavington, the practice is 2 miles from Urchfont surgery and is purpose built to meet the healthcare requirements of its patients. When the pandemic forced the closure of the Urchfont practice our patient base adapted well to the change and visited our main surgery without too much inconvenience caused. Any housebound patients registered with the surgery in the village continued to receive the same support and continuation of care in the community as before.

Therefore, the proposal to make the closure permanent is not without precedence as we have already had a significant impact trial period for the last three years.

We would like to thank the community of Urchfont for their support during our residency in Urchfont. We are saddened to leave our rural outpost but have had to put the needs of our patient base as a whole first and foremost, in our planned activity.

According to a survey cited in the Times newspaper, around 75% of Church of England clergy believe that the UK can no longer be called a Christian country. The latest census data bears that out. In 2011 the number of people identified as Christian was 60%, but by 2021 that had dropped to 46%.

For hardline secularists the decline of Christianity in our country may be an occasion for rejoicing. But as Rod Liddle argued in a recent column in The Sunday Times, what we're left with as Christian influence has receded is a more individualistic society, devoted to the pursuit of material gain. The trouble is that looking after number 1 and buying endless stuff online hardly satisfies the deepest longings of our souls.

Similarly, as Celia Walden reflected in an article in the Daily Telegraph, we've swapped the worship of God for the worship of self, "as a secular society, we've thrown ourselves into the cult of self, precisely because we're flailing, with no basic spiritual scaffold to keep us steady." Welcome to the brave new post-Christian world.

But if we broaden our perspective to take in the global picture, Christianity is not in decline. The faith is advancing in China, Africa, South America and even Iran. Here in the UK Rod Liddle points to the "rapidly growing numbers attending Pentecostal and evangelical churches — where eternal biblical certainties are still enjoined upon the worshippers".

The worship of self and wealth are poor God-substitutes. The eternal biblical certainties set before us the one true and living God who is worth worshipping. He is the God who sent his Son, the Lord Jesus to die for our sins and be raised from the dead that we may have the hope of everlasting life. Jesus calls us to renounce the cult of self saying, "If anyone would come after me, let him deny himself and take up his cross and follow me."

## The Salisbury Way programme

A new programme to support young people exploring Christian discipleship and leadership is being launched in the New Year. The Salisbury Way offers the 18-30s the opportunity to explore their gifts and calling while continuing work or studies.

The year long programme sits alongside normal life but brings people together for monthly zoom meetings and a residential at Hilfield Friary in Dorset.

It will also include a launch day in Salisbury and a pilgrimage in the autumn and spiritual accompaniment throughout the year.

For more information, get in touch with Louise Ellis  
[louise.ellis@salisbury.anglican.org](mailto:louise.ellis@salisbury.anglican.org).

## **Nurture Nature January 2024**

Make what you will of COP28, the Conference of the Parties – however after COP27 it was transformational in mentioning finally the intention to cut emissions, so it transpired that it was better than expected. In a last minute change to the final statement it declared a transitional move away from oil, coal and gas. However we shall follow carefully it the biggest fossil fuel producers, China, Russia, India, the US, Saudi Arabia and the Gulf States to start to move away from such, as fossil fuels are the biggest environmental atmospheric polluters.

The BTO (British Trust for Ornithology) has reported that there have been changes to migrant bird patterns – due to habitat loss and climate irregularities. So far this winter there appear to be fewer winter migrants such as fieldfares, redwings, bramblings in the area. Of course, there will be regional variations around the country. Conversely, there appears to be more migrational movement of blackbirds. Waxwings could appear should the weather harden in Scandinavia. They love rosehips, such as those on rosa Fellenberg. We haven't been alerted to local starling murmurations on the Plain so far this winter. Roosting areas do change, of course, however, this might be a sign of decreasing decline of this hardy species.

Some folk have reported bumble bee activity even on cold days. There are such hardy bee species with yellow rears that visit nectar bearing flowering shrubs such as winter flowering honeysuckle, abelia and mahonia. Often bumble bees will fly into sheds, summerhouses etc when doors are open, and thereby they get trapped and die when such outbuildings are shut up, so please check for bumblebees first. Seabirds especially are still suffering from avian 'flu, and our birds of gardens, fields and woods can be affected. So please keep feeders clean, water in bird baths changed daily, and if you haven't cleaned out and checked bird boxes for damage and repair, please try to do so by the end of the month.

If you know of hedgehogs hibernating in your garden please ensure they are safe from domestic pets. We had a terrier particularly interested in our hedgehog boxes so we had to fence them off with chicken wire, cutting a 15mm x 15mm (6" x 6") ground level opening for the sow and hoglets to use when born.

Finally, a few words about the spectacular monogamous albatrosses, which lay a single egg every one or two years. The Bycatch kill off these magnificent birds – an estimated 100,000 a year from just high seas fishing fleets. So human activities are threatening to extinction some of the sub species of these majestic birds. No wonder David Attenborough is so concerned about how many species worldwide are declining, and have been ever more rapidly since the 1970s. It is up to us to stem these staggering declines in birds and mammals for the sake of our children and grandchildren.

Happy New Conservation Year

## **COMMUNITY MINDED PERSON OF THE YEAR AWARD**

In 2008 the Chair of Market Lavington Parish Council, Di Lunn, proposed that an award be created to find the Market Lavington resident who the people of Market Lavington felt had made a large contribution to the life of Market Lavington in the previous year.

Nominations were originally collected at the Post Office but now are collected at St. Arbucks.

The first winner was Mr Ted Maslen.

Since Trinity Church has started organising the Beer and Carols Evening at The Green Dragon the award has been presented there by a Parish Councillor, usually the Chair of the council.

More recently, Trinity Church/St.Arbucks have sponsored a young community minded person of the year award.

This year's adult winner was Mrs Jeannie MacMeekin, who has had at least one nomination, nearly every year since the award started. Jeannie has been active with the Museum, the Guides, Trinity Church and many other local organisations over the years, and I have always thought that she would be a worthy winner of the award.

This year's Young Community Minded Person Award went to Carmela Chillery Watson, who is only 9 and teaches physio to the people at the nursing home, raises thousands of pounds for research for her illness, and appeared on the cat walk at the Bristol fashion show.

We look forward to seeing you at Rhyme Time.

## **Sleeping Beauty**

Trowbridge Players are back, with their first Pantomime in 3 years! When a Christening invite for the wicked fairy Mouldina goes absent, which is down to foolish footman Wilbert, she swears revenge, and curses the infant Princess. When she is grown up, she will prick her finger on a spinning-wheel and die. The Good Fairy Sapphire manages to bend the spell so that instead of dying, she will sleep for a hundred years. Jump forward in time to when the beautiful Princess is celebrating her 18th Birthday and the King and Queen have rid the Kingdom of all spinning-wheels (or have they!). Join the fun with Wilbert and Nanny as they do their best to protect the Princess from Mouldina. Will she ever meet her handsome Prince?

**UK Charity Reg No. 1154431**

November was a busy month for The Nestling Trust and we would like to thank everyone who came to support us at two major events:

### **The Fashion Show**

This was held on Saturday 11th November '23 in Market Lavington Community Hall.

Over a hundred people attended and were treated to a stunning array of winter fashion items by Travelling Trends. The afternoon began with a glass of Prosecco which always brings sparkle to any event!

There were many bargains to be had from leading High Street stores and boutiques all to be celebrated over teas, coffees and cakes!

It was a fun afternoon and we would like to say a big thank you to those who volunteered as models – you all were brilliant, thank you so much.

We launched an appeal for those made homeless in the earthquake that happened on 3rd Nov.'23 and devastated villages in the Jarjakot and Rukum region of Western Nepal.

### **The Nestling Trust's 10th Anniversary Fundraising Dinner.**

This was held at The Owl Lodge, Lacock. It was a fantastic evening to remember!

The amazing venue with a fire pit in the centre was transformed into what was reminiscent of a Himalayan Lodge bedecked with prayer flags and poinsettias, a flower native to Nepal. Peter Vaughan and his Team prepared the most delightful Nepalese-inspired menu and Peter also intrigued guests with tales and legends, transporting us away to the foothills of the Himalayas and giving tantalising descriptions of the dishes to be served.

Music played by Andrew Hurst created just the right atmosphere - a very special and happy event.

Finally from 28th Nov. to 5th December '23 it was the BigGive online matchfunding Christmas Challenge where donations made to the Nestling Trust were doubled.

Thank you so much to everyone who donated we are most grateful.

The amount raised through the three events is approximately an incredible £16,500. Proceeds will be used to help staff the Baiteshwor Health & Birthing Centre and make an emergency vehicle access road, it will also help support the Sarangkot Nestling Children's Home as well as helping survivors of the Earthquake in Western Nepal.

Nepal is one of the poorest countries in the world and The Nestling Trust is very aware that our work in helping the needy and the most vulnerable, over the past ten years, has only been possible due to the generosity of our supporters. We have been overwhelmed by the level of support and trust placed upon us - thank you most sincerely for enabling us to do this work.

Sue Hamblin

## **Dauntsey Academy Primary School**

The New Year is always a good time to reflect on the help and support our school gets from the community and I wanted to take this time to say a few thank-yous. Firstly, to our DAPS children. Your boundless energy, beaming smiles and enthusiasm to learn is what makes DAPS a truly wonderful school, well done to every single one of you for being so brilliant in your own unique way. Secondly, the parents, carers, PTA, staff and Governors that are involved with school every day. Your ongoing support of the school is what makes DAPS so special and even on the coldest of mornings, your daily smiles at the school gate warm us all! Finally, thank you to everyone within our wider community – those nearby in the Lavington's as well as all the surrounding villages. Whether it be your direct help such as the kind use of your facilities, helping walk the children to swimming each week or hearing children read in class, to the wider kindnesses our surrounding villages show it all makes a huge difference and allows us to do the absolute best we can for our children.

They say it takes a village to raise a child, and for that, we are always grateful to be in a wonderful one!

Philippa Winbolt, Headteacher.

## **The Youth Council**

The next meeting of The Youth Council is on Thursday 18th January in The Old School at 4:30pm until 5:30pm. We'll be discussing issues of concern to the young people of the village, fund raising ideas for the year and future projects.

The Youth Council is for any 10 to 16 year old that lives in Market Lavington and would like the opportunity to discuss matters that concern them or ideas they have for the young people of the village. They're more than welcome to just come along and find out more or email me at [j.taylor@marketlavingtonparishcouncil.gov.uk](mailto:j.taylor@marketlavingtonparishcouncil.gov.uk)

Because Common sense is no longer common !

We have had a busy December leading up to Christmas at Lavington Preschool. Maxine from Blue Butterfly Yoga visited us on the 5th December and the children participated in a Christmas themed yoga session which they thoroughly enjoyed.

Dave Hickory – Magical Maths visited us on the 7th December and enthralled the children with this fun maths session, looking at size, shape and numbers, making it a really interactive way to look at maths. On Thursday 14th December we were visited by the dentist and dental nurse from Urchfont Dental Care who spoke to the children about what a dentist does and the importance of brushing their teeth.

The children have been very busy with all their Christmas craft, making individual Christmas cards for every resident at Dauntsey House Care Home. We delivered our Christmas cards along with a box of chocolates and a box of biscuits on Tuesday 12th December, the children handed out the cards and sang a few Christmas songs to the residents.

The children had their Christmas party on our last day, Wednesday 20th December, we had games and a visit from Father Christmas who gave all the children a Christmas present.

We would like to thank everyone who supported Lavington Preschool during 2023 and we are looking forward to an exciting year ahead. Happy 2024 to everyone!

We currently have spaces in for 2-year-olds and 3-4 year olds. If you have any queries please either call us on 01380 812551 or send an email to [lavingtonpreschool@gmail.com](mailto:lavingtonpreschool@gmail.com) or [managerlavingtonpreschool@gmail.com](mailto:managerlavingtonpreschool@gmail.com).

## **A Message from Cllr Dominic Muns Wiltshire Councillor for The Lavingtons**

Happy New Year!

I hope you all had a restful holiday and were able to spend time with friends or family over the Christmas period. The New Year is always a good time to move on from the past and look positively at the year ahead and spread some good thoughts.

In my opinion, the most important things we can support as a society (and a local community) are our children and young people. They will inherit our villages from us, they will be tasked with looking after us, what we do now to set them on the right path and nurture them will enrich their own experiences as they grow and pay dividends for society as a whole when they are in the driving seat.

Just before Christmas we were able to announce that Wiltshire Council's Children's Services received an "Outstanding" Ofsted judgement making it the first local authority in the West to achieve the highest accolade. As a portfolio holder who straddles Children's Services and Education I have seen firsthand how much focus is given to our young people but to gain the recognition from Ofsted is remarkable and incredibly satisfying. I can hand-on-heart say that the children and young people who find themselves relying on support from Wiltshire Council, are in a very safe place. Each and every child or young person is understood and protected by our Council.

Our local schools also see the importance in building strong foundations for the young. Each school that I have visited has elected school councillors, spokespeople or eco-warriors in order to represent fellow students. Local organisations too are helping a generation of children see that they have a responsibility to build society and the tools with which to do so. Youth Councils designing and installing littering signs, youth clubs holding litter picks and youth driven fundraising activities are just some of the projects undertaken locally over the last few months.

So, I wish you all the best for 2024 and I look forward to working with you, however that may be, to improve our villages for the future.

**You may contact me about this or any other matter by email to [dominic.muns@wiltshire.gov.uk](mailto:dominic.muns@wiltshire.gov.uk) or by phone on 07585 394 178.**

## **Planning Applications**

### **Market Lavington**

**PL/2023/10388** Land South of The Spring. Outline planning permission (matters to be considered: Access only) for up to 14 dwellings (Use Class C3) and a food store (Use Class E(a)), together with open space, drainage, parking and associated access, infrastructure, landscaping and removal of bus shelter.

### **Easterton**

**PL/2023/09746** Cedarwood, 6 Kings Road, Demolition of existing three bedroom bungalow and redevelopment of the site for erection of a detached 4 bedroom two storey house with detached carport including workshop and office space over.

**Details of planning applications are available at**

**<https://development.wiltshire.gov.uk/pr/s/?tabset-167f1=3>**

**Or by visiting the council offices on the Devizes Library site**

### **Potterne Solar Farm Development**

The proposed scheme would provide enough electricity to meet the needs of approximately 15,000 homes. This is equivalent to supplying all the electricity needs of Melksham and Devizes combined.

The proposals remain in draft at this stage and no planning application has yet been submitted. It is intended that a thorough process of consultation will take place with key stakeholders prior to the submission of the planning application and throughout the application process so that any feedback received can be fully acknowledged with the potential to shape the final proposals where appropriate and we can continue to keep the community updated and listed to ongoing feedback.

Such feedback

can be provided directly to the planning agents at Lighthouse Development Consulting via email at: [info@Lighthouse-dc.co.uk](mailto:info@Lighthouse-dc.co.uk)

**This development would be entirely in Easterton and Market Lavington, North and West of the railway line.**

## **Crime prevention advice to help reduce burglaries in Wiltshire**

*Det Insp Darren Ambrose, of the Wiltshire Police Burglary Team, said:*  
*“Burglary is one of the most impactful crimes that a member of the public can suffer. Your home is the place you should feel most safe and secure and somebody breaking in can change the life of a victim and their family forever. That is why burglary is a priority for the Force and why we are taking steps to improve our approach to dealing with residential burglary.*

Lock your doors and windows every time you leave the house, even when just in the garden. And make sure you have approved locks or bolts to all doors and windows.

Never leave a spare key in a hiding place like in a plant pot or letter box - a thief knows all the hiding places.

Keep all keys, purses and wallets out of sight and away from the letterbox. Register all serial numbers from electrical items, tools and garden equipment with Immobilise.com the free national property register. Mark items without serial numbers with an artificial DNA property marker such as Smartwater or SelectaDNA.

Take photographs of all jewellery including hallmarks and keep them safe. Make sure that you have up to date contents insurance.

Use a timer to set lights to mimic your usual activity when you are not at home.

Do not open the door to anyone you don't know or are not expecting. Always check by using a spy-hole or look through a window. Don't trust an ID card.

Trim back any plants and hedges at the front of your property to no higher than one meter to remove hiding places.

Always report any suspicious activity, note any vehicle registrations, descriptions of persons involved and direction of travel.

Consider installing a monitored burglar alarm, and only use a company that is registered or certified with the NSI or the SSIAB.

Burglary is an operational priority here in Wiltshire as outlined by Chief Constable Catherine Roper at the start of the year. Since April, there have been 327 residential burglaries – a 15 per cent decrease on the same time period last year.
